

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Schramm
DOCKET NO.: 21-00369.001-R-1
PARCEL NO.: 16-36-207-028

The parties of record before the Property Tax Appeal Board are Dan Schramm, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$92,693
IMPR.: \$78,209
TOTAL: \$170,902

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco and wood siding exterior construction with 2,546 square feet of living area. The dwelling was constructed in 1924, is approximately 97 years old, and has an effective age of 1937. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 441 square feet of building area. The property has an 11,240 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .5 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story dwellings of wood siding or brick exterior construction ranging in size from 2,218 to 2,766 square feet of living area. The homes are 76 to

119 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with two having finished area, and a garage ranging in size from 106 to 582 square feet of building area. The comparables have improvement assessments ranging from \$61,606 to \$77,028 or from \$27.32 to \$28.83 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$71,097 or \$27.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,902. The subject property has an improvement assessment of \$78,209 or \$30.72 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within .71 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story or 2.5-story dwellings of wood siding, brick, stucco, or brick and stucco exterior construction ranging in size from 2,515 to 2,528 square feet of living area. The homes were built from 1911 to 1928, with three comparables having effective ages ranging from 1933 to 1963. Each dwelling has one or two fireplaces, a basement with two having finished area, and a garage ranging in size from 440 to 529 square feet of building area. Three comparables have central air conditioning and comparable #4 has an inground swimming pool. The comparables have improvement assessments ranging from \$90,019 to \$126,109 or from \$35.79 to \$50.04 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #2 and #4 due to differences in basement finish when compared to the subject. The Board also gives reduced weight to board of review comparables #1, #2, and #4 due to differences from the subject in effective age, basement finish, and/or inground swimming pool feature.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #3 along with board of review comparable #3, which are similar to the subject in location, dwelling size, and features. These comparables have improvement assessments that range from \$73,873 to \$98,155 or from \$27.32 to \$38.89 per square foot of living area. The subject's improvement assessment of \$78,209 or \$30.72 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to

the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
