

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Teich
DOCKET NO.: 21-00376.001-R-1
PARCEL NO.: 16-36-205-026

The parties of record before the Property Tax Appeal Board are Michael Teich, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$102,753
IMPR.: \$160,338
TOTAL: \$263,091

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stone and wood siding exterior construction¹ with 4,084 square feet of living area. The dwelling was constructed in 1951, is approximately 70 years old, and has a reported effective age of 1978. Features of the home include a full basement, central air conditioning, two fireplaces, and a 437 square foot garage. The property has an approximately 16,846 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The

¹ Additional details regarding the subject property not reported by the appellant are found in the subject's property record card presented by the board of review.

comparables are improved with 2-story homes of brick exterior construction ranging in size from 3,524 to 4,111 square feet of living area. The dwellings range in age from 53 to 82 years old. Each home has a full basement, three of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 399 to 529 square feet of building area. The comparables have improvement assessments ranging from \$119,970 to \$141,099 or from \$34.04 to \$35.24 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$263,091. The subject property has an improvement assessment of \$160,338 or \$39.26 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,988 to 4,654 square feet of living area. The dwellings were built from 1939 to 1994, with comparables #1, #2, #3, and #5 having effective ages ranging from 1976 to 2004. Each home has a full or partial basement, four of which have finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 460 to 798 square feet of building area. The comparables have improvement assessments ranging from \$176,622 to \$261,834 or from \$41.35 to \$64.14 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review's comparables #1, #2, and #4, due to significant differences from the subject in age/effective age.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #3, and #4 and the board of review's comparables #3 and #5, which are similar to the subject in dwelling size, age/effective age, location, and some features, although most of these properties have finished basement area which is not a feature of the subject. These most similar comparables have improvement assessments that range from \$137,157 to \$193,488 or from \$34.32 to \$48.52 per square foot of living area. The subject's improvement assessment of \$160,338 or \$39.26 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments

to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
