

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Weber
DOCKET NO.: 21-00389.001-R-1
PARCEL NO.: 16-26-104-065

The parties of record before the Property Tax Appeal Board are Daniel Weber, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$99,900
IMPR.: \$88,530
TOTAL: \$188,430

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,230 square feet of living area. The dwelling was constructed in 1954 it is approximately 67 years old and has an effective age of 1961. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a garage with 462 square feet of building area. The property has an approximately 19,380 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.44 of a mile from the subject property. The comparables are improved with 1-story dwellings of brick exterior construction ranging in size from 2,039 to 2,612 square feet of living area. The dwellings range in age from 65 to 69 years old. Each comparable has a basement, two with finished area, central air conditioning and a fireplace. Three comparables have a garage ranging in size from 440 to 528 square feet of building area. The comparables have improvement assessment ranging from \$69,676 to \$95,731 or from \$34.12 to \$37.35 per square foot of living area. Based on this

evidence, the appellant requested the subject's improvement assessment be reduced to \$80,112 or \$35.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,430. The subject property has an improvement assessment of \$88,530 or \$39.70 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.53 of a mile from the subject property. The comparables are improved with 1-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 1,998 to 2,956 square feet of living area. The dwellings were built from 1954 to 1978, with comparables #1, #3, #4 and #5 having effective ages that range from 1969 to 1989. Four comparables have a basement with finished area and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 448 to 644 square feet of building area. The comparables have improvement assessments ranging from \$88,815 to \$142,040 or from \$42.95 to \$56.95 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #3 and #4 along with the board of review comparables #1, #3, #4 and #5 due to their finished basement area when compared to the subject's unfinished basement, given the other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 along with the board of review comparable #2 which are relatively similar to the subject in location, design, dwelling size, and age. However, the Board finds two of the three comparables lack a basement foundation and/or a garage, indicating upward adjustments would be needed to make the comparables equivalent. Nevertheless, these most similar comparables have improvement assessments ranging from \$69,676 to \$88,815 or from \$34.12 to \$42.95 per square foot of living area. The subject property has an improvement assessment of \$88,530 or \$39.70 per square foot of living area, which falls within the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
