

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Floyd Mohr
DOCKET NO.: 21-00395.001-R-1
PARCEL NO.: 16-29-211-009

The parties of record before the Property Tax Appeal Board are Floyd Mohr, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,920
IMPR.: \$72,112
TOTAL: \$128,032

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,695 square feet of living area. The dwelling was constructed in 1957 and is approximately 64 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 493 square feet of building area. The property has a 10,628 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .34 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of brick or wood siding exterior construction ranging in size from 1,144 to 1,532 square feet of living area. The homes are 63 to 66 years old. Each dwelling has central air conditioning, a basement with one having finished area, and a garage ranging in size from

440 to 576 square feet of building area. Comparable #1 has a concrete slab foundation. The comparables have improvement assessments ranging from \$43,832 to \$59,480 or from \$37.21 to \$39.14 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$65,045 or \$38.37 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,032. The subject property has an improvement assessment of \$72,112 or \$42.54 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within .45 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of brick, wood siding, or brick and wood siding exterior construction that were built from 1954 to 1957. The homes range in size from 1,687 to 1,886 square feet of living area. Three comparables have central air conditioning, one comparable has a fireplace, three comparables each have a basement with two having finished area, and each comparable has a garage ranging in size from 360 to 550 square feet of building area. Comparable #3 has a concrete slab foundation. The comparables have improvement assessments ranging from \$79,838 to \$97,814 or from \$44.55 to \$51.86 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1, #2, and #4 due to differences in dwelling size, foundation, and/or basement finish when compared to the subject. The Board also gives reduced weight to board of review comparables ##2, #3, and #4 due to differences from the subject in foundation or basement finish.

The Board finds the best evidence of assessment equity to be appellant's comparable #3 and board of review comparable #1, which are similar to the subject in age, location, dwelling size, and features. These comparables had improvement assessments of \$57,011 and \$79,838 or \$37.21 and \$45.18 per square foot of living area. The subject's improvement assessment of \$72,112 or \$42.54 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
