

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mina Perlin
DOCKET NO.: 21-00397.001-R-1
PARCEL NO.: 16-10-315-017

The parties of record before the Property Tax Appeal Board are Mina Perlin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,669
IMPR.: \$103,216
TOTAL: \$154,885

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri level dwelling of brick and wood siding exterior construction with 2,181 square feet of living area. The dwelling was constructed in 1955 and is approximately 66 years old and has an effective age of 1968. Features of the home include a finished lower level, central air conditioning, a fireplace and a garage with 462 square feet of building area. The property has an approximately 12,650 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.88 of a mile from the subject property. The comparables are improved with tri level dwellings of brick exterior construction ranging in size from 1,900 to 2,234 square feet of living area. The dwellings range in age from 62 to 65 years old. Each comparable has a finished lower level and central air conditioning. One comparable has two fireplaces and one comparable has a garage containing 494 square feet of building area. The comparables have improvement assessments ranging

from \$82,289 to \$95,339 or from \$40.06 to \$44.40 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$92,965 or \$42.62 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$154,885. The subject property has an improvement assessment of \$103,216 or \$47.33 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.98 of a mile from the subject property. The comparables are improved with tri level dwellings of brick and wood siding exterior construction ranging in size from 2,063 to 2,210 square feet of living area. The dwellings were built from 1956 to 1964, with comparables #1, #3 and #4 having effective ages that range from 1962 to 1977. Each comparable has a finished lower level, comparable #1 has an unfinished basement. Three comparables have central air conditioning, three comparables each have one or two fireplaces and three comparables have a garage ranging in size from 483 to 575 square feet of building area. The comparables have improvement assessments ranging from \$103,679 to \$123,586 or from \$50.23 to \$55.92 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #3 and #4 along with the board of review comparable #1 due to their lack of garages when compared to the subject. The Board gave reduced weight to the board of review comparable #4 due to lack of central air conditioning when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 along with the board of review comparables #1, #2 and #3 which are relatively similar to the subject in location, design, dwelling size, age and features. These most similar comparables have improvement assessments ranging from \$95,339 to \$123,586 or from \$42.68 to \$55.92 per square foot of living area. The subject property has an improvement assessment of \$103,216 or \$47.33 per square foot of living area, which falls within the range established by the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
