

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Colletti
DOCKET NO.: 21-00446.001-R-1
PARCEL NO.: 13-21-106-001

The parties of record before the Property Tax Appeal Board are Anthony Colletti, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,548
IMPR.: \$143,742
TOTAL: \$185,290

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,824 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement with a finished area, central air conditioning, a fireplace, and a garage with 892 square feet of building area. The property has a 20,038 square foot site and is located in Fox River Grove, Cuba Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.31 of a mile from the subject property. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 3,440 to 4,287 square feet of living area that were built from 2001 to 2003. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging from 687 to 892 square feet of building area. The comparables have improvement assessments ranging from \$105,566 to \$149,061 or from \$28.92 to \$35.83 per square foot of living area. Based on this evidence, the appellant

requested the subject's improvement assessment be reduced to \$126,192 or \$33.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,290. The subject property has an improvement assessment of \$143,742 or \$37.59 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.30 of a mile from the subject property. The comparables are improved with 1-story¹ or 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 3,824 to 4,015 square feet of living area that were built in 2000 or 2001. Each comparable has a basement, three with a finished area, central air conditioning, one or three fireplaces and a garage ranging in size from 676 to 892 square feet of building area. Comparable #5 has an inground swimming pool. The comparables have improvement assessments ranging from \$141,741 to \$166,937 or from \$37.07 to \$41.58 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten suggested comparables for the Board's consideration. The Board has given less weight to the board of review comparable #5 due to its inground swimming pool, an amenity that the subject lacks.

The Board finds the parties remaining nine comparables are similar to the subject in location, dwelling size, age and some features. However, the Board has given most weight to the board of review comparables #2, #3 and #4 which are identical to the subject in design, dwelling size, basement size and garage size. These three most similar comparables have improvement assessments ranging from \$141,741 to \$155,171 or from \$37.07 to \$40.58 per square foot of living area. The subject property has an improvement assessment of \$143,742 or \$37.59 per square foot of living area, which falls within the range established by the three best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

¹ The board of review comparable #1 has a ground floor area of 1,343 square feet with an above ground area of 3,965 square feet, indicating the dwelling is part 2-story.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
