

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rich Pratt  
DOCKET NO.: 21-00479.001-R-1  
PARCEL NO.: 13-01-406-004

The parties of record before the Property Tax Appeal Board are Rich Pratt, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$59,224  
**IMPR.:** \$185,607  
**TOTAL:** \$244,831

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.<sup>1</sup>

**Findings of Fact**

The subject property consists of a two-story dwelling of stucco and stone exterior construction with 4,757 square feet of living area.<sup>2</sup> The dwelling was constructed in 1999 and is approximately 22 years old. Features of the home include a basement with finished area, central air conditioning, four fireplaces and a 970 square foot garage. The property has an approximately 19,890 square foot site and is located in North Barrington, Cuba Township, Lake County.

---

<sup>1</sup> The parties agreed to forego the scheduled virtual hearing on this case and have the Board issue a decision based on the evidence in the record.

<sup>2</sup> The Board finds the best description of the subject property was reported in the subject's property record card, submitted by the board of review, which was not refuted by the appellant.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of frame or brick and frame exterior construction that range in size from 4,448 to 4,957 square feet of living area. The homes range in age from 26 to 31 years old. Each comparable has a basement with finished area, central air conditioning, one to four fireplaces and a garage ranging in size from 792 to 935 square feet of building area. The comparables have improvement assessments that range from \$145,418 to \$160,188 or from \$32.12 to \$33.92 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$157,894 or \$33.19 per square foot of living area, when using a dwelling size for the subject of 4,757 square feet.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$244,831. The subject has an improvement assessment of \$185,607 or \$39.02 per square foot of living area, when applying a dwelling size of 4,757 square feet for the subject property. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick exterior construction that range in size from 4,070 to 5,082 square feet of living area. The homes were built from 1994 to 2001. Each comparable has a basement with finished area, central air conditioning, two to five fireplaces and a garage ranging in size from 840 to 1,207 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments that range from \$155,015 to \$206,036 or from \$34.96 to \$40.54 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 along with board of review comparables #3 and #5 which are somewhat older in age, have a larger garage size, feature an inground swimming pool and/or have a smaller dwelling size when compared to the subject and other comparables in the record.

The Board finds the best evidence of assessment equity to be appellant comparables #1 and #2 and board of review comparables #1, #2 and #4 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables have improvement assessments that range from \$152,846 to \$206,036 or from \$33.23 to \$40.54 per square foot of living area.

The subject's improvement assessment of \$185,607 or \$39.02 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
