

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kay Geary  
DOCKET NO.: 21-00494.001-R-1  
PARCEL NO.: 13-36-408-056

The parties of record before the Property Tax Appeal Board are Kay Geary, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$38,488  
**IMPR.:** \$127,555  
**TOTAL:** \$166,043

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 2,773 square feet of living area. The dwelling was constructed in 1990. Features of the home include a basement with finished area, central air conditioning, a fireplace and a garage with 589 square feet of building area. The property has an approximately 10,771 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .16 of a mile from the subject property and within the same assessment neighborhood code as the subject. The comparables have sites ranging in size from 8,306 to 13,970 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,560 to 3,148 square feet of living area that were built from 1986 to 1992. The appellant reported that each comparable has a basement, four with finished area, central air conditioning, one fireplace and an attached garage ranging in size from 440 to 528 square feet of building area.

The comparables sold from July 2020 to February 2021 for prices ranging from \$415,000 to \$530,000 or from \$162.11 to \$178.26 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,703. The subject's assessment reflects a market value of \$522,415 or \$188.39 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

The board of review did not provide any market value evidence to support the subject property's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains five suggested comparable sales for the Board's consideration. The Board has given less weight to appellant's comparable #4, due to its smaller dwelling size when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #1, #2, #3 and #5. The Board finds that these comparables are relatively similar to the subject in location, design, age, dwelling size, and features. The comparables sold from July 2020 to February 2021 for prices ranging from \$415,000 to \$524,000 or from \$162.11 to \$178.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$522,415 or \$188.39 per square foot of living area, including land, which falls within the range on an overall market value and falls above the range on a price per square foot basis in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
