

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Straka
DOCKET NO.: 21-00549.001-R-1
PARCEL NO.: 07-30-401-101

The parties of record before the Property Tax Appeal Board are John Straka, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:¹

LAND: \$17,739
IMPR.: \$132,979
TOTAL: \$150,718

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,264 square feet of living area. The dwelling was constructed in 1989 and is approximately 32 years old. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 680 square foot garage. The property has an approximately 8,100 square foot site and is located in Grayslake, Warren Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of wood siding exterior construction that

range in size from 2,012 to 2,914 square feet of living area. The homes range in age from 21 to 45 years old. Each comparable has a crawl space foundation, one fireplace and a garage ranging in size from 440 to 720 square feet of building area. Three comparables have central air conditioning. The comparables have improvement assessments that range from \$93,267 to \$105,566 or from \$36.23 to \$46.65 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$96,786 or \$42.75 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,718. The subject has an improvement assessment of \$132,979 or \$58.74 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction that range in size from 2,160 to 3,036 square feet of living area. The homes were built from 1999 to 2003. Two comparables have a basement, one with finished area and two comparables have crawl space foundations. Each dwelling has central air conditioning and a garage ranging in size from 529 to 896 square feet of building area. Three homes each have one fireplace. The comparables have improvement assessments that range from \$127,117 to \$180,842 or from \$57.72 to \$63.01 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparables #1 and #3 which each have a crawl space foundation in contrast to the subject's finished basement.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #4 which are similar to the subject in location, age, design, foundation type and other features, but have substantially larger dwelling sizes when compared to the subject suggesting a downward adjustment is needed to make these properties more similar to the subject. These two best comparables have improvement assessments of \$175,237 and \$180,842 or for \$57.72 and \$63.01 per square foot of living area, respectively. The subject's improvement assessment of \$132,979 or \$58.74 per square foot of living area falls below the two best comparables in this record on an improvement assessment basis, which appears logical given the subject's smaller dwelling size compared to the two best properties in the record. Additionally, the subject's per

square foot improvement assessment is bracketed by the two best comparables in the record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
