

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Todd & Susan Goeks
DOCKET NO.: 21-00644.001-R-1
PARCEL NO.: 12-33-409-104

The parties of record before the Property Tax Appeal Board are Todd & Susan Goeks, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,963
IMPR.: \$138,390
TOTAL: \$207,353

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,912 square feet of living area. The dwelling was constructed in 1962 and is approximately 59 years old. Features of the home include a basement, central air conditioning, and a 560 square foot garage. The property has an approximately 7,156 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellants contend assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellants submitted information on four equity comparables located from 0.09 of a mile to 1.94 miles from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story homes of brick or wood siding exterior construction ranging in size from 2,356 to 2,884 square feet of living area. The dwellings range in age from 47 to 81 years old. Each home has a

basement, one of which has finished area, central air conditioning, and a fireplace. Three homes each have a garage ranging in size from 462 to 575 square feet of building area. The comparables have improvement assessments ranging from \$101,525 to \$124,875 or from \$36.76 to \$45.23 per square foot of living area.

Based on this evidence the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$207,353. The subject property has an improvement assessment of \$138,390 or \$47.52 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located from 0.01 of a mile to 1.70 miles from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story homes of brick or brick and wood siding exterior construction ranging in size from 2,900 to 3,104 square feet of living area. The dwellings were built from 1928 to 1962 with comparables #1, #3, and #4 having effective ages of 1958, 1981, and 1958, respectively. Each home has a basement, one of which has finished area. Four homes have central air conditioning and four homes have one to three fireplaces and a garage ranging in size from 378 to 624 square feet of building area. The comparables have improvement assessments ranging from \$141,332 to \$278,772 or from \$48.53 to \$95.18 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables #2, #3, and #4 and the board of review's comparables #1, #3, #4, and #5, due to substantial differences from the subject in dwelling size, age/effective age, basement finish, and/or garage amenity, and/or which are located more than 1 mile from the subject.

The Board finds the best evidence of assessment equity to be the appellants' comparable #1 and the board of review's comparable #2, which are similar to the subject in dwelling size, age/effective age, location, and features. These two most similar comparables have improvement assessments of \$106,019 and \$177,245 or of \$36.76 and \$59.58 per square foot of living area, respectively. The subject's improvement assessment of \$138,390 or \$47.52 per

square foot of living area is bracketed by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
