

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alfred Frapolli  
DOCKET NO.: 21-00666.001-R-1  
PARCEL NO.: 14-11-112-005

The parties of record before the Property Tax Appeal Board are Alfred Frapolli, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.<sup>1</sup>

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$30,562  
**IMPR.:** \$127,232  
**TOTAL:** \$157,794

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,179 square feet of living area. The dwelling was constructed in 1986 and is approximately 35 years old. Features of the home include a basement, central air conditioning, two fireplaces and an 814 square foot garage. The property has an approximately 40,236 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject and within 0.63 of a mile from the subject property. The comparables are improved with two-story

dwellings of brick or wood siding exterior construction that range in size from 2,738 to 3,088 square feet of living area. The homes are 33 or 34 years old. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 528 to 825 square feet of building area. The comparables have improvement assessments that range from \$83,280 to \$103,082 or from \$29.43 to \$33.90 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$103,555 or \$32.57 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$157,794. The subject has an improvement assessment of \$127,232 or \$40.02 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on 15 equity comparables located in the same assessment neighborhood code as the subject and from 0.15 of a mile to 1.49 miles from the subject property. The comparables are improved with two-story dwellings of frame or brick exterior construction that range in size from 2,860 to 3,303 square feet of living area. The homes were built from 1979 to 1989 with the oldest property having an effective age of 1990. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 1,027 square feet of building area. Comparable #14 also has an inground swimming pool. The comparables have improvement assessments that range from \$120,174 to \$141,421 or from \$40.10 to \$43.18 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 19 equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #4 along with board of review comparables #1, #2, #5, #7, #11, #13, #14 and #15 which are less proximate in distance to the subject, differ from the subject in dwelling size, have a dissimilar garage size when compared to the subject and/or have an inground swimming pool lacking in the subject property.

The Board finds the best evidence of assessment equity to be appellant comparables #2 and #3 and board of review comparables #3, #4, #6, #8, #9, #10 and #12 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables have improvement assessments that range from \$101,666 to \$134,489 or from \$33.38 to \$43.18 per square foot of living area. The subject's improvement assessment of \$127,232 or \$40.02 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
