

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Hirsch
DOCKET NO.: 21-00668.001-R-1
PARCEL NO.: 15-25-106-028

The parties of record before the Property Tax Appeal Board are Debra Hirsch, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.¹

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$81,129
IMPR.: \$350,000
TOTAL: \$431,129

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 6,156 square feet of living area. The dwelling was constructed in 1994 and is 27 years old. Features of the home include an unfinished basement, central air conditioning, four fireplaces and a 1,008 square foot garage. The property has an approximately 41,630 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of frame or brick exterior construction that

range in size from 5,315 to 7,116 square feet of living area. The homes range in age from 10 to 22 years old. Each comparable has a basement, three with finished area, central air conditioning, two to four fireplaces and a garage ranging in size from 868 to 1,053 square feet of building area. The comparables have improvement assessments that range from \$254,971 to \$347,689 or from \$44.01 to \$48.86 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$289,793 or \$47.07 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$456,464. The subject has an improvement assessment of \$375,335 or \$60.97 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or brick and Dryvit exterior construction that range in size from 5,903 to 6,144 square feet of living area. The homes were built from 2001 to 2005. Each comparable has a basement, three with finished area, central air conditioning, four or five fireplaces and a garage ranging in size from 884 to 1,024 square feet of building area. Comparable #3 also has an inground swimming pool. The comparables have improvement assessments that range from \$307,128 to \$399,130 or from \$52.03 to \$65.56 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #3 along with board of review comparables #3 and #4 which are less similar to the subject in age and/or includes an inground swimming pool which the subject property lacks.

The Board finds the best evidence of assessment equity to be appellant comparables #2 and #4 as well as board of review comparables #1 and #2 which are more similar to the subject in location, design and other features although each of these dwellings are newer in age, relative to the subject and have varying degrees of similarity to the subject in dwelling size and basement finish. These best comparables have improvement assessments that range from \$310,032 to \$382,867 or from \$47.43 to \$62.32 per square foot of living area. The subject's improvement assessment of \$375,335 or \$60.97 per square foot of living area falls within the range established by the best comparables in this record. However, downward adjustments to these best

comparables are suggested given the subject's older age and unfinished basement, relative to these best comparables. Therefore, after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
