

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aleksey Ostrovskiy
DOCKET NO.: 21-00687.001-R-1
PARCEL NO.: 10-14-308-011

The parties of record before the Property Tax Appeal Board are Aleksey Ostrovskiy, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,987
IMPR.: \$118,248
TOTAL: \$148,235

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,578 square feet of living area.¹ The dwelling was constructed in 1999. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 824 square feet of building area. The property has a 12,200 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .58 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of vinyl siding exterior construction ranging in size from 3,333 to 3,423 square feet of

¹ The parties differ as to the dwelling size of the subject. The Board finds the property record card submitted by the board of review, which was not refuted by the appellant, to be the best evidence of dwelling size in the record.

living area. The homes were built from 1997 to 1999. Each dwelling has central air conditioning, a basement with one having finished area, and a garage containing either 726 or 824 square feet of building area. Three comparables each have one or two fireplaces. The parcels range in size from 12,200 to 14,810 square feet of land area. The comparables sold from February 2020 to January 2021 for prices ranging from \$350,000 to \$405,000 or from \$103.55 to \$114.87 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$129,791, for an estimated market value of \$389,412 or \$108.84 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,235. The subject's assessment reflects a market value of \$445,820 or \$124.60 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on ten comparable sales located within .63 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of vinyl siding exterior construction ranging in size from 3,292 to 3,665 square feet of living area. The dwellings were built from 1996 to 1999. Each dwelling has central air conditioning, a basement with five having finished area, and a garage ranging in size from 682 to 824 square feet of building area. Nine comparables each have one or two fireplaces. Comparables #3 and #10 each have an inground swimming pool. The parcels range in size from 12,200 to 15,680 square feet of land area. The comparables sold from May 2020 to November 2021 for prices ranging from \$410,000 to \$539,000 or from \$121.34 to \$151.75 per square foot of living area, including land. The board of review also submitted a memorandum arguing that some of the parties' comparables are in a neighborhood that is split between two school districts. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 15 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #3, as well as board of review comparables #2 through #6 and #10, due to differences from the subject in basement finish and/or inground swimming pool amenity.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$365,000 to \$539,000 or from \$109.31 to \$151.75 per

square foot of living area, including land. The subject's assessment reflects a market value of \$445,820 or \$124.60 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
