

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sam Yoo  
DOCKET NO.: 21-00693.001-R-1  
PARCEL NO.: 12-20-205-035

The parties of record before the Property Tax Appeal Board are Sam Yoo, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$89,636  
**IMPR.:** \$96,026  
**TOTAL:** \$185,662

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,226 square feet of living area. The dwelling was constructed in 1980. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 506 square feet of building area. The property has a 12,450 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .84 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story dwellings of brick or wood siding and brick exterior construction ranging in size from 1,997 to 2,542 square feet of living area. The homes were built from 1962 to 1967. Each dwelling has central air conditioning, one or two fireplaces, a basement with three having finished area, and a

garage ranging in size from 440 to 462 square feet of building area. The parcels range in size from 11,340 to 12,490 square feet of land area. The comparables sold from April 2020 to February 2021 for prices ranging from \$365,000 to \$510,000 or from \$159.74 to \$239.21 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$155,873, for an estimated market value of \$467,666 or \$210.09 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,662. The subject's assessment reflects a market value of \$558,382 or \$250.85 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .82 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 1.75-story or 2-story dwellings of wood siding or brick exterior construction ranging in size from 2,268 to 2,475 square feet of living area. The dwellings were built from 1941 to 1973. Each dwelling has central air conditioning, one to three fireplaces, a basement with finished area, and a garage ranging in size from 418 to 484 square feet of building area. The parcels range in size from 10,350 to 14,110 square feet of land area. The comparables sold from September 2020 to October 2021 for prices ranging from \$560,000 to \$639,000 or from \$244.44 to \$266.47 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to their older dwellings. Nevertheless, the Board gives less weight to the appellant's comparables #1 and #2 due to differences from the subject in basement finish. The Board gives less weight to appellant comparable #3, which appears to be an outlier due to its much lower sale price compared to the other sales in this record. The Board also gives reduced weight to board of review comparable #4 due to its significantly older dwelling in relation to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #4 and #5 along with board of review comparable sales #1 through #3, which are similar to the subject in dwelling size, location, and features. These most similar comparables sold for prices ranging from \$505,000 to \$639,000 or from \$198.66 to \$266.47 per square foot of living area, including

land. The subject's assessment reflects a market value of \$558,382 or \$250.85 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
