

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Lewicki
DOCKET NO.: 21-00695.001-R-1
PARCEL NO.: 12-17-401-085

The parties of record before the Property Tax Appeal Board are David Lewicki, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,369
IMPR.: \$163,690
TOTAL: \$240,059

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,714 square feet of living area. The dwelling was constructed in 1982. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 528 square foot garage. The property has a 19,410 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .55 of a mile from the subject and in the same assessment neighborhood code as the subject property. The comparables have sites ranging in size from 20,970 to 34,500 square feet of land area and are improved with 2-story dwellings ranging in size from 2,640 to 4,546 square feet of living area. The dwellings were constructed from 1979 to 1993. Each comparable has a basement, two with finished area.

Each comparable also has central air conditioning, one to three fireplaces, and a garage ranging in size from 552 to 702 square feet of building area. The comparables sold from February to April 2020 for prices ranging from \$480,000 to \$630,000 or from \$134.18 to \$181.82 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$240,059. The subject's assessment reflects a market value of \$721,982 or \$194.39 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .54 of a mile from the subject and in the same assessment neighborhood code as the subject property. These properties have sites ranging in size from 20,050 to 25,150 square feet of land area and are improved with a 1.5-story, a 1.75-story, and 2-story dwellings of wood siding exterior construction ranging in size from 3,166 to 3,966 square feet of living area and were built from 1980 to 1987. The comparables have basements, with four having finished area. Each comparable has central air conditioning, one to three fireplaces, and a garage ranging in size from 506 to 858 square feet of building area. The comparables sold from May 2020 to March 2021 for prices ranging from \$725,000 to \$835,000 or from \$206.99 to \$229.00 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3, along with board of review comparable #1 due to their unfinished basements, dissimilar to the subject's basement with recreation room, and/or significantly differing parcels sizes and/or dwelling sizes relative to the subject.

The Board finds the best evidence of market value to be appellant's comparable #4 and board of review comparables #2 through #5 which overall are more similar to the subject in location, lot size, dwelling size, age, finished basement area, and most features. These comparables sold from March 2020 to October 2020 for prices ranging from \$630,000 to \$835,000 or from \$169.08 to \$217.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$721,982 or \$194.39 per square foot of living area, including land, which falls well within the range established by the best comparable sales in the record both in terms of overall value and on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's

estimated market value as reflected by its assessment is supported and, therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
