

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Tucker  
DOCKET NO.: 21-00717.001-R-1  
PARCEL NO.: 14-29-103-030

The parties of record before the Property Tax Appeal Board are Robert Tucker, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$40,603  
**IMPR.:** \$150,408  
**TOTAL:** \$191,011

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,978 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 638 square feet of building area. The property has a 40,090 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .91 of a mile of the subject. The comparables consist of 1.5-story or 2-story dwellings of wood siding exterior construction ranging in size from 2,360 to 3,568 square feet of living area. The homes were built from 1978 to 1987, with comparable #1 having an effective age of 1990. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a garage ranging in

size from 552 to 1,018 square feet of building area. The parcels range in size from 40,040 to 48,530 square feet of land area. The comparables sold from March to December 2020 for prices ranging from \$422,000 to \$650,000 or from \$164.01 to \$182.17 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$167,758, for an estimated market value of \$503,324 or \$169.01 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,011. The subject's assessment reflects a market value of \$574,469 or \$192.90 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .27 of a mile of the subject. Comparable #2 is the same property as appellant comparable #2. The comparables consist of 2-story dwellings of wood siding exterior construction ranging in size from 2,580 to 3,426 square feet of living area. The dwellings were built from 1985 to 1990, with comparable #3 having an effective age of 1993. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a garage ranging in size from 616 to 1,018 square feet of building area. The parcels range in size from 39,450 to 66,960 square feet of land area. The comparables sold from January 2020 to November 2021 for prices ranging from \$525,000 to \$700,000 or from \$177.17 to \$269.85 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #1, #3, and #5 due to differences in age or dwelling size when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #4 along with the board of review's comparable sales, including the common comparable, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$462,500 to \$700,000 or from \$164.01 to \$269.85 per square foot of living area, including land. Excluding the high and low sales from the analysis results in a tighter range of sale prices from \$525,000 to \$607,000 or from \$177.17 to \$203.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$574,469 or \$192.90 per square foot of living area, including land, which is within the range

established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
