

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Becky Minehart
DOCKET NO.: 21-00724.001-R-1
PARCEL NO.: 10-24-404-005

The parties of record before the Property Tax Appeal Board are Becky Minehart, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,446
IMPR.: \$58,770
TOTAL: \$80,216

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of wood siding exterior construction with 1,173 square feet of living area. The dwelling was constructed in 1970. Features of the home include a lower level with finished area, central air conditioning, a fireplace, and a 621 square foot garage. The property has an approximately 11,550 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.70 of a mile from the subject. The parcels range in size from 11,250 to 23,910 square feet of land area and are improved with split-level homes of wood or vinyl siding exterior construction ranging in size from 1,288 to 1,344 square feet of living area. The dwellings were built from 1963 to 1976. Each home has a lower level with finished area, central air conditioning, and a 2-car or a 550

square foot garage. One home has a fireplace. The comparables sold from July 2020 to March 2021 for prices ranging from \$162,000 to \$244,000 or from \$125.78 to \$181.55 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,216. The subject's assessment reflects a market value of \$241,251 or \$205.67 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.61 of a mile from the subject. The parcels range in size from 8,550 to 16,010 square feet of land area and are improved with split-level homes of wood or vinyl siding exterior construction ranging in size from 1,041 to 1,297 square feet of living area. The dwellings were built from 1956 to 1975 with comparable #4 having a reported effective age of 1962. Each home has a lower level with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 440 to 638 square feet of building area. Three homes each have a basement. The comparables sold from July 2020 to December 2021 for prices ranging from \$240,000 to \$300,000 or from \$198.51 to \$254.56 per square foot of living area, including land.

The board of review presented a listing sheet for the appellant's comparable #3, describing this property as a raised ranch, which the board of review noted is not the same design as the subject. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #3, #4, and #5, which each have a basement unlike the subject. The Board gives less weight to the appellant's comparable #3, due to substantial differences from the subject in design as shown in the unrefuted listing sheet presented by the board of review.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparables #1 and #2, which are similar to the subject in design, dwelling size, age, location, and features, but have varying degrees of similarity to the subject in lot size and age/effective age. These most similar comparables sold for prices ranging from \$235,000 to \$289,900 or from \$178.57 to \$251.65 per square foot of living area, including land.

The subject's assessment reflects a market value of \$241,251 or \$205.67 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
