

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Griffin  
DOCKET NO.: 21-00727.001-R-1  
PARCEL NO.: 14-31-402-011

The parties of record before the Property Tax Appeal Board are Jennifer Griffin, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,183  
**IMPR.:** \$125,915  
**TOTAL:** \$174,098

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,576 square feet of living area. The dwelling was constructed in 1969. Features of the home include a basement, central air conditioning, a fireplace, and a 462 square foot garage. The property has a 27,990 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.58 of a mile from the subject. The parcels range in size from 20,190 to 33,340 square feet of land area and are improved with 1.5-story or 2-story homes of brick, wood siding, or brick and wood siding exterior construction. The homes range in size from 2,726 to 3,206 square feet of living area and were built from 1966 to 1972 with comparable #3 having an effective age of 1978. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 440 to 588

square feet of building area. Comparable #3 has a greenhouse. The comparables sold from March 2020 to May 2021 for prices ranging from \$360,000 to \$600,000 or from \$113.64 to \$188.92 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,098. The subject's assessment reflects a market value of \$523,603 or \$203.26 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.72 of a mile from the subject. The parcels range in size from 18,790 to 27,060 square feet of land area and are improved with 2-story homes of brick, wood siding, or wood siding and brick exterior construction. The homes range in size from 2,376 to 2,793 square feet of living area and were built from 1967 to 1972. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 462 to 616 square feet of building area. The comparables sold from August 2020 to July 2021 for prices ranging from \$542,000 to \$762,500 or from \$226.27 to \$273.00 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3, due to substantial differences from the subject in dwelling size. Moreover, the appellant's comparable #3 has a greenhouse unlike the subject and sold for considerably less than the other comparables in this record, suggesting this sale was an outlier. The Board gives less weight to the board of review's comparable #1, which sold for considerably more than the other comparables in this record and appears to be an outlier.

The Board finds the best evidence of market value to be the appellant's comparables #4 and #5 and the board of review's comparables #2 through #5, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$410,000 to \$630,000 or from \$150.40 to \$235.03 per square foot of living area, including land. The subject's assessment reflects a market value of \$523,603 or \$203.26 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
