

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Chapman  
DOCKET NO.: 21-00730.001-R-1  
PARCEL NO.: 16-34-108-014

The parties of record before the Property Tax Appeal Board are Donald Chapman, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$74,131  
**IMPR.:** \$131,098  
**TOTAL:** \$205,229

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,592 square feet of living area. The dwelling was constructed in 1967. Features of the home include a basement, central air conditioning, a fireplace and a 523 square foot garage. The property has an approximately 13,220 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.24 of a mile from the subject. The parcels range in size from 13,740 to 32,410 square feet of land area and are improved with 2-story homes of brick or brick and wood siding exterior construction ranging in size from 2,497 to 3,270 square feet of living area. The dwellings were built from 1964 to 1967. Each home has a basement, three of which have finished area, central air conditioning, one or

two fireplaces, and a garage ranging in size from 462 to 552 square feet of building area. The comparables sold from March 2020 to June 2021 for prices ranging from \$522,500 to \$675,000 or from \$171.36 to \$216.24 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$205,229. The subject's assessment reflects a market value of \$617,230 or \$238.13 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.23 of a mile from the subject. The parcels range in size from 11,450 to 27,330 square feet of land area and are improved with 2-story homes of wood siding, brick, or brick and wood siding exterior construction ranging in size from 2,542 to 3,048 square feet of living area. The dwellings were built from 1964 to 1967 and have effective ages ranging from 1965 to 1983. Each home has a basement, three of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 462 to 528 square feet of building area. The comparables sold from May 2020 to November 2021 for prices ranging from \$670,000 to \$800,000 or from \$225.21 to \$314.71 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 and the board of review's comparable #2, due to substantial differences from the subject in dwelling size. The Board also gives less weight to the board of review's comparables #1 and #5, which have significantly newer effective ages than the subject home.

The Board finds the best evidence of market value to be the appellant's comparables #4 and #5 and the board of review's comparables #3 and #4, which are more similar to the subject in dwelling size, age/effective age, location, and some features, although two of these comparables have larger lots than the subject and three of these comparables have finished basement area unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$522,500 to \$735,000 or from \$209.25 to \$261.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$617,230 or \$238.13 per

square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
