

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patty Mix
DOCKET NO.: 21-00747.001-R-1
PARCEL NO.: 15-32-205-013

The parties of record before the Property Tax Appeal Board are Patty Mix, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,976
IMPR.: \$109,043
TOTAL: \$137,019

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,500 square feet of living area. The dwelling was constructed in 1970. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 440 square foot garage. The property has an approximately 9,330 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.55 of a mile from the subject. The parcels range in size from 8,770 to 14,850 square feet of land area and are improved with 2-story homes of wood siding exterior construction with 2,136 or 2,712 square feet of living area. The dwellings were built from 1970 to 1972 with comparable #4 having an effective age of 1974. Four homes each have a crawl space foundation and one home has a

basement. Each home has central air conditioning and a 440 square foot garage. Four homes have a fireplace. The comparables sold from January 2020 to January 2021 for prices ranging from \$280,000 to \$355,000 or from \$130.90 to \$144.19 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,019. The subject's assessment reflects a market value of \$412,087 or \$164.83 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.59 of a mile from the subject. The parcels range in size from 8,770 to 10,450 square feet of land area and are improved with 2-story homes of wood siding or wood siding and brick exterior construction ranging in size from 2,389 to 2,615 square feet of living area. The dwellings were built from 1970 to 2004 with comparables #1, #2, and #4 having effective ages of 1973, 1972, and 1974, respectively. Three homes each have a crawl space foundation and two homes each have a basement, one of which has finished area. Each home has central air conditioning and a garage ranging in size from 420 to 651 square feet of building area. Four homes have a fireplace. The comparables sold from October 2020 to October 2021 for prices ranging from \$375,000 to \$530,000 or from \$146.71 to \$211.83 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3, and #5, due to substantial differences from the subject in dwelling size, and the board of review's comparables #3 and #4, which are significantly newer homes than the subject dwelling.

The Board finds the best evidence of market value to be the appellant's comparable #4 and the board of review's comparables #1, #2, and #5, which are similar to the subject in dwelling size, age, location, and some features, although these comparables each lack a basement, which is a feature of the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$355,000 to \$438,000 or from \$130.90 to \$167.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$412,087 or \$164.83 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate

adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
