

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vladimir Babin  
DOCKET NO.: 21-00748.001-R-1  
PARCEL NO.: 15-04-303-075

The parties of record before the Property Tax Appeal Board are Vladimir Babin, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$25,539  
**IMPR.:** \$77,011  
**TOTAL:** \$102,550

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,272 square feet of living area. The dwelling was constructed in 1976 and has a reported effective age of 1977. Features of the home include a lower level with finished area, central air conditioning, and a 483 square foot garage.<sup>1</sup> The property has a 6,500 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.60 of a mile from the subject. The parcels range in size from 6,900 to 11,030 square feet of land area and are improved with tri-level homes of wood siding exterior construction ranging in size from 1,269 to

<sup>1</sup> Additional details regarding the subject not reported by the appellant are found in the board of review's evidence and were not refuted by the appellant in written rebuttal.

1,616 square feet of living area. The dwellings were built from 1977 to 1984 with comparable #2 having an effective age of 1979. Each home has a lower level, central air conditioning, and a 441 or a 483 square foot garage. One home has a basement with finished area and two homes each have a fireplace. The comparables sold from March to November 2020 for prices ranging from \$240,000 to \$295,000 or from \$182.55 to \$205.29 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,550. The subject's assessment reflects a market value of \$308,421 or \$242.47 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.50 of a mile from the subject. The parcels range in size from 6,500 to 10,098 square feet of land area and are improved with split-level homes ranging in size from 1,200 to 1,314 square feet of living area. The dwellings were built from 1975 to 1978. Each home has a lower level with finished area, central air conditioning, and a garage ranging in size from 483 to 528 square feet of building area. Two homes each have a basement, one of which has finished area, and four homes each have a fireplace. The comparables sold from May to November 2020 for prices ranging from \$322,600 to \$359,000 or from \$249.70 to \$287.20 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #5 and the board of review's comparables #3 and #4, which each have basements, two of which have finished area, unlike the subject. The Board also gives less weight to the appellant's comparables #2 and #3, which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #4 and the board of review's comparables #1, #2, and #3, which are more similar to the subject in dwelling size, age, location, and features. These most similar comparables sold for prices ranging from \$260,000 to \$359,000 or from \$201.55 to \$287.20 per square foot of living area, including land. The subject's assessment reflects a market value of \$308,421 or \$242.47 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate

adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
