

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rita Shayevich
DOCKET NO.: 21-00756.001-R-1
PARCEL NO.: 15-33-304-138

The parties of record before the Property Tax Appeal Board are Rita Shayevich, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,073
IMPR.: \$80,046
TOTAL: \$109,119

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story townhome of brick exterior construction with 1,829 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement, central air conditioning, and a 357 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.08 of a mile from the subject. The comparables are improved with 2-story townhomes of brick exterior construction with 1,765 or 1,829 square feet of living area. The dwellings were built in 1990 or 1995. Each home has a basement, central air conditioning, and a 357 or a 361 square foot garage. Three homes each have a fireplace. The comparables sold from April 2020 to March 2021 for prices

ranging from \$276,000 to \$320,000 or from \$153.09 to \$174.96 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$109,119. The subject's assessment reflects a market value of \$328,177 or \$179.43 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.05 of a mile from the subject. Comparable #3 is the same property as the appellant's comparable #3. The comparables are improved with 2-story townhomes of brick exterior construction with 1,802 or 1,829 square feet of living area. The dwellings were built in 1995. Each home has a basement, three of which have finished area, central air conditioning, and a 357 or a 400 square foot garage. Two homes each have a fireplace. The comparables sold from July 2020 to May 2021 for prices ranging from \$320,000 to \$364,000 or from \$174.96 to \$202.00 per square foot of living area, including land.

The board of review submitted a brief contending that two of the appellant's comparables are a different model townhome than the subject and one of the appellant's comparables sold too close in time to the start of the Covid-19 pandemic in March 2020. The board of review also asserted three of its comparables are the same model townhome as the subject.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparables #1, #4 and #5, which are less similar to the subject in model type and dwelling size than other comparables in this record and/or which have finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3/board of review's comparable #3, the appellant's comparable #4, and the board of review's comparable #2, which are identical to the subject in dwelling size and are similar to the subject in age, location, and features. These three most similar comparables sold for prices ranging from \$280,000 to \$335,500 or from \$153.09 to \$183.43 per square foot of living area, including land.

The subject's assessment reflects a market value of \$328,177 or \$179.43 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
