

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Wagner
DOCKET NO.: 21-00890.001-R-1
PARCEL NO.: 07-10-104-005

The parties of record before the Property Tax Appeal Board are David Wagner, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,279
IMPR.: \$171,441
TOTAL: \$204,720

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,167 square feet of living area. The dwelling was constructed in 2005. Features of the home include a basement with finished area, central air conditioning, a fireplace and an 810 square foot garage. The property has a 45,430 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .36 of a mile from the subject property. The comparables have sites that range in size from 40,010 to 43,490 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,421 to 4,337 square feet of living area. The dwellings were built from

2004 to 2008. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 528 to 832 square feet of building area. The comparables sold from April 2020 to March 2021 for prices ranging from \$390,000 to \$535,000 or from \$101.45 to \$131.32 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$204,720. The subject's assessment reflects a market value of \$615,699 or \$147.76 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .53 of a mile from the subject property. The comparables have sites that range in size from 40,240 to 45,560 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,844 to 4,245 square feet of living area. The dwellings were built from 2004 to 2007. The comparables each have a basement, three of which have finished area. Each comparable has a central air conditioning, a fireplace and a garage ranging in size from 665 to 987 square feet of building area. The comparables sold from October 2020 to October 2021 for prices ranging from \$595,000 to \$650,000 or from \$149.50 to \$159.99 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables, as well as board of review comparables #3 and #5 due to their lack of finished basement area, a feature of the subject. Furthermore, the appellant's comparable #4 has a considerably smaller dwelling size when compared to the subject.

The Board finds the best evidence of market value to be board of review comparables #1, #2 and #4, which have finished basement area like the subject and are similar to the subject in location, dwelling size, design, age and some features. The comparables sold from December 2020 to May 2021 for prices ranging from \$615,000 to \$650,000 or from \$153.12 to \$159.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$615,699 or \$147.76 per square foot of living area, including land, which falls at the lower end the range established by the best comparable sales in the record in terms of overall market value and below the comparables on a price per square foot basis. Based on this record and after considering

adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
