

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Meilan Li
DOCKET NO.: 21-00923.001-R-1
PARCEL NO.: 11-21-309-018

The parties of record before the Property Tax Appeal Board are Meilan Li, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,632
IMPR.: \$83,256
TOTAL: \$140,888

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 2,144 square feet of living area. The dwelling was constructed in 1974. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 431 square foot garage. The property has an approximately 13,200 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.30 of a mile from the subject property. The comparables have sites that range in size from 9,660 to 14,000 square feet of land area and are described to be improved with one-story or two-story dwellings¹ of wood

¹ Appellant comparable #4 has 504 square feet of ground floor living area and 2,744 square feet of above ground living area, suggesting this dwelling is part two-story.

siding exterior construction that range in size from 1,971 to 2,744 square feet of living area. The dwellings were built from 1972 to 1983. Each comparable has an unfinished basement, central air conditioning and a garage ranging in size from 400 to 482 square feet of building area. Four comparables each have one fireplace. The properties sold from April 2020 to April 2021 for prices ranging from \$285,000 to \$430,000 or from \$117.28 to \$182.65 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$140,888. The subject's assessment reflects a market value of \$423,723 or \$197.63 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.26 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 9,656 to 13,420 square feet of land area and are improved with two-story dwellings of frame and brick exterior construction that range in size from 2,144 to 2,173 square feet of living area. The homes were built in 1972 or 1973. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 431 square foot garage. The properties sold from June 2018 to May 2021 for prices ranging from \$365,500 to \$525,000 or from \$170.48 to \$241.60 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparables #4 and #5 which are less similar to the subject in age and/or dwelling size than other properties in the record. The Board gives less weight to board of review comparables #2 and #3 which sold in 2018, less proximate to the January 2021 assessment date than other properties in the record.

The Board finds the best evidence of market value to be appellant comparables #1, #2 and #3 along with board of review comparables #1 and #4, including the common property, which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from June 2020 to May 2021 for prices ranging from \$340,000 to \$525,000 or from \$167.49 to \$241.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$423,723 or \$197.63 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After

considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
