

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Randall Sevcik
DOCKET NO.: 21-00967.001-R-1
PARCEL NO.: 15-18-302-017

The parties of record before the Property Tax Appeal Board are Randall Sevcik, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,110
IMPR.: \$312,126
TOTAL: \$356,236

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of Dryvit exterior construction with 6,442 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 941 square foot garage. The property has a 36,940 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .51 of a mile from the subject property. The comparables have sites that range in size from 34,140 to 46,520 square feet of land area and are improved with 2-story dwellings of brick, Dryvit, brick and wood siding, or brick and Dryvit exterior construction ranging in size from 5,291 to 6,416 square feet of living area. The dwellings were built from 1991 to 1997. Each comparable has a basement

with finished area, central air conditioning, one to five fireplaces and a garage ranging in size from 655 to 1,145 square feet of building area. Comparable #4 has an inground swimming pool. The properties sold from August 2020 to July 2021 for prices ranging from \$665,000 to \$995,000 or from \$125.69 to \$156.24 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$356,236. The subject's assessment reflects a market value of \$1,071,386 or \$166.31 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .33 of a mile from the subject property where comparable #3 is the same property as appellant's comparable #3. The comparables have sites that range in size from 36,180 to 42,960 square feet of land area and are improved with 2-story dwellings of brick, Dryvit, or brick and Dryvit exterior construction ranging in size from 5,539 to 6,989 square feet of living area. The homes were built from 1993 to 2000. The comparables have basements with four having finished area. Each comparable has central air conditioning, two to five fireplaces, and a garage ranging in size from 814 to 1,432 square feet of building area. The properties sold from August 2020 to July 2021 for prices ranging from \$780,000 to \$1,140,000 or from \$131.67 to \$184.58 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration where one comparable was common to both parties. The Board gives less weight to appellant's comparable #4 which has an inground swimming pool, appellant's comparable #5 due to difference in dwelling size and board of review comparable #1 which lacks finished basement area when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which includes the common comparable. These six comparables are more similar to the subject in location, age, design, dwelling size and features. The comparables sold from August 2020 to July 2021 for prices ranging from \$780,000 to \$1,185,000 or from \$129.54 to \$184.58 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,071,386 or \$166.31 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
