

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Graham Vonder Haar  
DOCKET NO.: 21-00976.001-R-1  
PARCEL NO.: 15-23-209-030

The parties of record before the Property Tax Appeal Board are Graham Vonder Haar, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,450  
**IMPR.:** \$103,582  
**TOTAL:** \$170,032

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 3,043 square feet of living area. The dwelling was constructed in 1966 and has an effective year built of 1967. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 575 square foot garage. The property has a 21,340 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .55 of a mile from the subject property. The comparables have site sizes ranging in size from 20,040 to 23,520 square feet of land area. The comparables are described as one-story dwellings of wood siding or brick exterior construction ranging in size from 2,620 to 3,157 square feet of living area. The dwellings were constructed in 1957 or 1968. Comparables #1, #2 and #3 have effective years

built of 1961 or 1964. One comparable has a basement with finished area and three comparables have crawl space foundations. Each comparable has central air conditioning and a garage ranging in size from 380 to 818 square feet of building area. Three comparables each have one or three fireplaces. The comparables sold in August 2020 or March 2021 for prices ranging from \$345,000 to \$479,000 or from \$131.68 to \$162.76 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,032. The subject's assessment reflects a market value of \$511,374 or \$168.05 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .58 of a mile from the subject. The comparables have sites ranging in size from 18,730 to 21,340 square feet of land area and are improved with one-story dwellings of brick, wood siding or wood siding and brick exterior construction ranging in size from 2,760 to 2,964 square feet of living area. The dwellings were constructed from 1957 to 1969 and have effective years built from 1958 to 1971. Three comparables have concrete slab or crawl space foundations and two comparables have basements, one of which has finished area. Each comparable has central air conditioning, one to three fireplaces and a garage ranging in size from 436 to 735 square feet of building area. The comparables sold from March 2020 to July 2021 for prices ranging from \$485,000 to \$555,000 or from \$171.86 to \$190.33 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #2, #3 and #4 as well as board of review comparables #2, #4 and #5 which have crawl space or concrete slab foundations when compared to the subject's basement foundation.

The Board finds the best evidence of market value to be appellant's comparable #1 along with board of review comparables #1 and #3 which have basements and are relatively similar to the subject in location, age, dwelling size and other features. The comparables sold from March to June 2021 for prices ranging from \$352,500 to \$555,000 or from \$133.12 to \$190.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$511,374 or \$168.05 per square foot of living area, including land, which is within the range established by the best comparable sales in the record. After considering adjustments to the best comparables

for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
