

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Do
DOCKET NO.: 21-00980.001-R-1
PARCEL NO.: 15-29-311-001

The parties of record before the Property Tax Appeal Board are David Do, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,713
IMPR.: \$81,809
TOTAL: \$112,522

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,136 square feet of living area. The dwelling was constructed in 1972. Features of the home include a crawl space foundation, central air conditioning, a fireplace and a 440 square foot garage. The property has an 11,940 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .68 of a mile from the subject property. The comparables have sites that range in size from 8,770 to 14,850 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction with 2,136 square feet of living area. The dwellings were built from 1970 to 1972. Four comparables each have a crawl space foundation and one comparable has a basement. Each

home has central air conditioning, one fireplace and a garage with 440 square feet of building area. The comparables sold from January 2020 to January 2021 for prices ranging from \$280,000 to \$320,000 or from \$131.09 to \$149.81 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,522. The subject's assessment reflects a market value of \$338,412 or \$158.43 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .37 of a mile from the subject property. The comparables have sites that range in size from 8,770 to 11,030 square feet of land area. The comparables are improved with 1.5-story or 2-story dwellings of wood siding exterior construction ranging in size from 2,000 to 2,136 square feet of living area. The dwellings were built in 1971 or 1972. Comparables #2 and #3 have effective years built of 1974 and 1980. Each comparable has a concrete slab or crawl space foundation, central air conditioning, and a garage ranging in size from 252 to 455 square feet of building area. Two comparables each have one fireplace. The comparables sold from December 2020 to November 2021 for prices ranging from \$322,500 to \$449,000 or from \$153.06 to \$210.21 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board gives less weight to board of review comparables #2 and #3 which are less similar to the subject in design, dwelling size and/or some features.

The Board finds the best evidence of market value to be the parties' remaining comparables which are identical or nearly identical to the subject in design, age, dwelling size and features. The comparables sold from January 2020 to November 2021 for prices ranging from \$280,000 to \$449,000 or from \$131.09 to \$210.21 per square foot of living area, including land. Excluding the low and high sales, yields a tighter range from \$300,000 to \$350,000 or from \$140.45 to \$163.86 per square foot of living area, including land. The subject's assessment reflects a market value of \$338,412 or \$158.43 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in the record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
