

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Deutsch
DOCKET NO.: 21-00983.001-R-1
PARCEL NO.: 16-32-304-015

The parties of record before the Property Tax Appeal Board are Barbara Deutsch, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,911
IMPR.: \$127,862
TOTAL: \$182,773

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,806 square feet of living area. The dwelling was constructed in 1973. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 440 square foot garage. The property has a 10,800 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .41 of a mile from the subject property. Two comparables are reported to have sites with 10,800 or 10,920 square feet of land area. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,700 to 3,100 square feet of living area. The dwellings were built from 1970 to 1974. Comparable #1 has an effective year built of 1976.

One comparable has a concrete slab foundation, and three comparables have basements, one of which has finished basement area. Each comparable has central air conditioning, one fireplace and a garage with 440 or 483 square feet of building area. Two comparables have inground swimming pools. The comparables sold from January to August 2020 for prices ranging from \$337,000 to \$563,000 or from \$124.81 to \$184.03 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$182,773. The subject's assessment reflects a market value of \$549,693 or \$195.90 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on six comparable sales located within .40 of a mile from the subject property. Five comparables are reported to have sites that range in size from 9,600 to 25,060 square feet of land area. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,353 to 2,892 square feet of living area. The dwellings were built from 1953 to 1975. Comparable #6 has an effective year built of 1965. Two comparables have concrete slab foundations and four comparables have basements. Each comparable has central air conditioning and a garage ranging in size from 440 to 836 square feet of building area. Five comparables each have one fireplace. The comparables sold from May 2020 to March 2021 for prices ranging from \$525,000 to \$605,000 or from \$199.00 to \$239.00 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #3 as well as board of review comparables #2, #3, #4 and #6 which have basement foundations and/or inground swimming pools when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #4 as well as board of review comparables #1 and #5 which are relatively similar to the subject in location, dwelling size, age, and features. The comparables sold from February to November 2020 for prices ranging from \$394,000 to \$575,500 or from \$136.24 to \$223.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$549,693 or \$195.90 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
