

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Rizzo
DOCKET NO.: 21-00986.001-R-1
PARCEL NO.: 15-29-313-025

The parties of record before the Property Tax Appeal Board are Joseph Rizzo, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,362
IMPR.: \$104,789
TOTAL: \$137,151

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,563 square feet of living area. The dwelling was constructed in 1972. Features of the home include a crawl space foundation, central air conditioning, and a 500 square foot garage. The property has a 12,020 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .63 of a mile from the subject property. The comparables have sites ranging in size from 8,770 to 10,460 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,115 to 2,615 square feet of living area. The dwellings were built in 1970 or 1971. Each comparable has a crawl space foundation, central air conditioning, one fireplace and a

garage with 462 or 500 square feet of building area. The comparables sold from May to September 2020 for prices ranging from \$269,000 to \$360,000 or from \$125.15 to \$165.48 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,151. The subject's assessment reflects a market value of \$412,484 or \$160.94 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .56 of a mile from the subject property. Board of review comparable #5 is the same as appellant's comparable #3. The comparables have sites that range in size from 8,770 to 9,760 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,115 to 2,615 square feet of living area. The dwellings were built from 1970 to 1972. Each comparable has a crawl space foundation, central air conditioning and a garage ranging in size from 420 to 500 square feet of building area. Three comparables each have one fireplace. The comparables sold from May 2020 to November 2021 for prices ranging from \$342,450 to \$438,000 or from \$160.32 to \$167.90 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration which includes one common comparable. The Board gives less weight to appellant's comparables #1 and #3 as well as board of review comparables #3, #4 and #5 due to their smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #2 and #4 as well as board of review comparables #1 and #2 which are overall more similar to the subject in location, dwelling size, age, and features. The comparables sold from July 2020 to June 2021 for prices ranging from \$320,000 to \$438,000 or from \$125.15 to \$167.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$412,484 or \$160.94 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
