

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Breytman  
DOCKET NO.: 21-00988.001-R-1  
PARCEL NO.: 15-23-301-058

The parties of record before the Property Tax Appeal Board are Paul Breytman, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$36,791  
**IMPR.:** \$94,754  
**TOTAL:** \$131,545

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,856 square feet of living area. The dwelling was constructed in 1995. Features of the home include a concrete slab foundation, central air conditioning, one fireplace, and a 400 square foot garage. The property has a 5,660 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .11 of a mile from the subject. The comparables have sites ranging in size from 5,230 to 10,890 square feet of land area and are improved with 1-story or 2-story dwellings of brick exterior construction that were built from 1994 to 1996. The dwellings range in size from 3,026 to 3,354 square feet of living area. The comparables have features with varying degrees of similarity to the subject. The

comparables sold from July 2020 to January 2021 for prices ranging from \$350,000 to \$440,000 or from \$108.26 to \$131.19 per square foot of living area, including land. The appellant's appeal petition disclosed the subject is an owner-occupied dwelling. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,320. The subject's assessment reflects a market value of \$400,962 or \$140.39 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. The board of review also reported that 2019 was the first year of the General Assessment Cycle for the subject property and an equalization factor of .9966 for tax year 2021 was applied to non-farm properties in Vernon Township.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .30 of a mile from the subject. The comparables have sites ranging in size from 7,840 to 9,580 square feet of land area and are improved with 1-story or 2-story dwellings of brick exterior construction that were built in 1993 or 1995. The dwellings range in size from 3,108 to 3,502 square feet of living area. The comparables have features with varying degrees of similarity to the subject. The comparables sold from September 2020 to October 2021 for prices ranging from \$525,000 to \$575,000 or from \$154.73 to \$172.14 per square foot of living area, including land.

The Property Tax Appeal Board takes judicial notice that this property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-09309.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$131,994 based on an agreement by the parties.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2020 tax year under Docket No. 20-09309.001-R-1 in which a decision was issued based on an agreement between the parties reducing the subject's assessment to \$131,994. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2020 and 2021 tax years are within the same general assessment period and an equalization factor of .9966 was applied in Vernon Township in 2021. Furthermore, the decision of the Property Tax Appeal Board for the 2020 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2020 decision results in an assessment of \$131,545. ( $\$131,994 \times .9966 = \$131,545$ ) which is less than the subject's final 2021 assessment as established by the board of review of \$133,320. Considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted.

Additionally, after considering the reduction already granted by the Board pursuant to Section 16-185, the Board finds the subject's assessment is supported by the comparable sales in the record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
