

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leo Morton
DOCKET NO.: 21-00995.001-R-1
PARCEL NO.: 16-32-315-005

The parties of record before the Property Tax Appeal Board are Leo Morton, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,914
IMPR.: \$110,085
TOTAL: \$167,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,376 square feet of living area. The dwelling was constructed in 1970. Features of the home include a basement, central air conditioning, a fireplace, and a 440 square foot garage. The property has a 10,800 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.39 of a mile from the subject. Comparable #3 has a 10,800 square foot site. The comparables are improved with 2-story homes of brick or brick and wood siding exterior construction ranging in size from 2,700 to 2,892 square feet of living area. The dwellings were built from 1970 to 1974. Two homes have a basement, one of which has finished area, and one home has a concrete slab foundation. Each home has central air conditioning, a fireplace, and a 440 or a 483 square foot garage.

Comparable #1 has an inground swimming pool. The comparables sold from January to July 2020 for prices ranging from \$337,000 to \$530,000 or from \$124.81 to \$184.03 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$167,999. The subject's assessment reflects a market value of \$505,260 or \$212.65 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.46 of a mile from the subject. The board of review reported comparable #3 is located on a busy road and presented a site map of this property. The parcels range in size from 9,600 to 12,120 square feet of land area and are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,242 to 2,668 square feet of living area. The dwellings were built from 1959 to 1975 with comparable #4 having an effective age of 1965. Four homes have a basement and one home has a concrete slab foundation. Four homes have central air conditioning, four homes have a fireplace, and each home has a garage ranging in size from 491 to 600 square feet of building area. The comparables sold from May 2020 to March 2021 for prices ranging from \$525,000 to \$578,000 or from \$197.71 to \$249.78 per square foot of living area, including land.

The board of review presented a listing sheet for the appellant's comparable #1, noting that this property was sold "as is."

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1 and #3, due to substantial differences from the subject in dwelling size, age, foundation type, central air conditioning amenity, and/or inground swimming pool amenity.

The Board finds the best evidence of market value to be the board of review's comparables #2, #4, and #5, which are more similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$527,500 to \$578,000 or from \$197.71 to \$219.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$505,260 or \$212.65 per square foot of living area, including land,

which is below the range established by the best comparable sales in terms of total market value and within the range on a price per square foot basis, which is logical given the subject is a smaller home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
