

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregory Pigott  
DOCKET NO.: 21-01002.001-R-1  
PARCEL NO.: 16-32-402-029

The parties of record before the Property Tax Appeal Board are Gregory Pigott, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,362  
**IMPR.:** \$88,628  
**TOTAL:** \$136,990

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 1,984 square feet of living area. The dwelling was constructed in 1963. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 300 square foot garage. The property has an approximately 8,970 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.72 of a mile from the subject. The parcels range in size from 9,000 to 9,750 square feet of land area and are improved with 2-story homes of wood siding, brick, or brick and wood siding exterior construction. The homes range in size from 1,670 to 2,040 square feet of living area and were built from 1958 to 1960. Four homes have a basement, three of which have finished area, and one home has a

concrete slab foundation. Each home has central air conditioning and a garage ranging in size from 252 to 288 square feet of building area. One home has a fireplace. The comparables sold from June 2020 to May 2021 for prices ranging from \$370,000 to \$410,000 or from \$199.14 to \$227.54 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$151,556. The subject's assessment reflects a market value of \$455,808 or \$229.74 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.89 of a mile from the subject. The parcels range in size from 9,000 to 9,880 square feet of land area and are improved with 2-story homes of brick and wood siding exterior construction ranging in size from 1,670 to 2,164 square feet of living area. The dwellings were built in 1957 or 1960. Four homes each have a basement, one of which has finished area, and one home has a concrete slab foundation. Each home has central air conditioning and a garage ranging in size from 275 to 464 square feet of building area. One home has a fireplace. The comparables sold from April 2019 to May 2021 for prices ranging from \$380,000 to \$497,000 or from \$227.54 to \$239.52 per square foot of living area, including land.

The board of review submitted a listing sheet for the appellant's comparable #4 which describes this property as an "[o]lder home with loads of potential!"

Based on this evidence the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of nine comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3, the appellant's comparable #5/board of review's comparable #4, and the board of review's comparables #1 and #2, due to substantial differences from the subject in dwelling size, foundation type, and/or basement finish. The Board gives less weight to the board of review's comparable #3, which sold less proximate in time to the assessment date than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #4, which are similar to the subject in dwelling size, age, location, site size, and features. These

comparables sold for prices of \$370,000 and \$410,000 or for \$199.14 and \$208.12 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$455,808 or \$229.74 per square foot of living area, including land, which is above the best comparable sales in this record and appears to be excessive. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
