

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Donofrio  
DOCKET NO.: 21-01009.001-R-1  
PARCEL NO.: 15-05-427-008

The parties of record before the Property Tax Appeal Board are Julie Donofrio, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,524  
**IMPR.:** \$98,887  
**TOTAL:** \$117,411

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,826 square feet of living area. The dwelling was constructed in 1983 and has an effective age of 1989. Features of the home include a basement, central air conditioning, a fireplace, and a 462 square foot garage. The property has an approximately 9,330 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.62 of a mile from the subject. The parcels range in size from 5,220 to 8,060 square feet of land area and are improved with 1.5-story or 2-story homes of wood siding exterior construction ranging in size from 1,368 to 1,868 square feet of living area. The dwellings were built in 1976 or 1978. Two homes have a concrete slab foundation, two homes have a crawl space foundation, and one home has a

basement. Each home has central air conditioning and a garage ranging in size from 420 to 441 square feet of building area. One home has a fireplace. The comparables sold from March to December 2020 for prices ranging from \$240,000 to \$280,000 or from \$147.75 to \$171.35 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$117,411. The subject's assessment reflects a market value of \$353,116 or \$193.38 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.61 of a mile from the subject. The parcels range in size from 6,500 to 10,890 square feet of land area and are improved with 2-story homes of wood siding exterior construction with 1,840 or 1,868 square feet of living area. The dwellings were built from 1975 to 1978. Three homes each have a basement, one of which has finished area, and one home has a crawl space foundation. Each home has central air conditioning and a 399 or a 441 square foot garage. Two homes each have a fireplace. The comparables sold from August 2020 to October 2021 for prices ranging from \$387,500 to \$405,000 or from \$207.44 to \$216.81 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #4 and the board of review's comparable #2, due to substantial differences from the subject in dwelling size and/or foundation type. The Board gives less weight to the board of review's comparable #4, which has finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #5 and the board of review's comparables #1 and #3, which are similar to the subject in dwelling size, location, site size, and features. The most similar comparables sold for prices ranging from \$280,000 to \$405,000 or from \$149.89 to \$216.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$353,116 or \$193.38 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
