

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Westrich
DOCKET NO.: 21-01012.001-R-1
PARCEL NO.: 15-23-209-001

The parties of record before the Property Tax Appeal Board are Robert Westrich, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,417
IMPR.: \$94,619
TOTAL: \$159,036

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,747 square feet of living area. The dwelling was constructed in 1957 and has a reported effective age of 1967. Features of the home include a crawl space foundation, central air conditioning, two fireplaces, and a 792 square foot garage. The property has a 23,960 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.38 of a mile from the subject. The parcels range in size from 20,040 to 23,520 square feet of land area and are improved with 1-story homes of brick or wood siding exterior construction ranging in size from 2,620 to 3,157 square feet of living area. The dwellings were built in 1957 or 1968 and have effective ages ranging from 1961 to 1968. Three homes have a crawl space foundation and one

home has a basement with finished area. Each home features central air conditioning and a garage ranging in size from 380 to 818 square feet of building area. Three homes have one or three fireplaces. The comparables sold in August 2020 and March 2021 for prices ranging from \$345,000 to \$479,000 or from \$131.68 to \$162.76 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,036. The subject's assessment reflects a market value of \$478,304 or \$174.12 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.52 of a mile from the subject. The parcels range in size from 18,730 to 24,390 square feet of land area and are improved with 1-story homes of wood siding or wood siding and brick exterior construction ranging in size from 2,359 to 3,340 square feet of living area. The dwellings were built from 1957 to 1970 and have effective ages ranging from 1960 to 1974. Two homes have a concrete slab foundation, one home has a crawl space foundation, and two homes have a basement with finished area. Each home features central air conditioning, one to three fireplaces, and a garage ranging in size from 480 to 525 square feet of building area. The comparables sold from May 2020 to July 2021 for prices ranging from \$497,000 to \$620,000 or from \$185.63 to \$210.68 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 and the board of review's comparables #3, #4, and #5, due to substantial differences from the subject in dwelling size and/or foundation type.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3 and the board of review's comparables #1 and #2, which are similar to the subject in dwelling size, age/effective age, location, site size, and features. These most similar comparables sold for prices ranging from \$345,000 to \$525,000 or from \$131.68 to \$191.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$478,304 or \$174.12 per square foot of living area, including land, which is within the range established by the best

comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
