

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alex Ulitsky  
DOCKET NO.: 21-01015.001-R-1  
PARCEL NO.: 15-23-209-009

The parties of record before the Property Tax Appeal Board are Alex Ulitsky, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,772  
**IMPR.:** \$276,594  
**TOTAL:** \$342,366

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 4,890 square feet of living area. The dwelling was constructed in 2005. Features of the home include a basement with finished area, central air conditioning, four fireplaces, and a 874 square foot garage. The property has an approximately 20,040 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.54 of a mile. The parcels range in size from 20,040 to 21,340 square feet of land area and are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,533 to 4,803 square feet of living area. The dwellings were built from 1993 to 2008 with the oldest home having an effective age of 1995. Three homes each have a basement, two of

which have finished area, and one home has a concrete slab foundation. Each home has central air conditioning, two fireplaces, and a garage ranging in size from 740 to 820 square feet of building area. The comparables sold from July 2020 to May 2021 for prices ranging from \$570,000 to \$820,000 or from \$119.07 to \$205.77 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$342,366. The subject's assessment reflects a market value of \$1,029,672 or \$210.57 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.24 of a mile. The parcels range in size from 19,170 to 23,960 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 4,565 to 5,169 square feet of living area. The dwellings were built from 2005 to 2008. Each home has a basement, four of which have finished area, central air conditioning, one to five fireplaces, and a garage ranging in size from 651 to 1,036 square feet of building area. The comparables sold from September 2020 to November 2021 for prices ranging from \$1,075,000 to \$1,275,000 or from \$222.98 or \$279.30 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparable #1, due to substantial differences from the subject in dwelling size, foundation type, and/or basement finish.

The Board finds the best evidence of market value to be the appellant's comparables #3 and #4 and the board of review's comparables #2 through #5, which are more similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$795,000 to \$1,228,000 or from \$165.52 to \$262.45 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,029,672 or \$210.57 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
