

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ejaz Mohammad
DOCKET NO.: 21-01033.001-R-1
PARCEL NO.: 07-18-307-011

The parties of record before the Property Tax Appeal Board are Ejaz Mohammad, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,616
IMPR.: \$77,140
TOTAL: \$97,756

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,788 square feet of living area. The dwelling was built in 1996. Features of the home include a basement with finished area, central air conditioning, and a 400 square foot garage. The property has an approximately 10,020 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same neighborhood code as the subject property and within 0.57 of a mile from the subject. The properties have sites that range in size from 9,580 or 10,890 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,694 to 1,886 square feet of living area. The comparables were built from 1993 to 1996. Each comparable is reported

to have a basement with comparable #3 also having a partial crawl space foundation. Each comparable has central air conditioning, one fireplace, and a garage with either 400 or 441 square feet of building area. The properties sold from January to November 2020 for prices ranging from \$255,000 to \$280,000 or from \$141.51 to \$155.38 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$87,711 which reflects a market value of \$263,159 or \$147.18 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$97,756. The subject's assessment reflects a market value of \$294,003 or \$164.43 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject property and within 0.89 of a mile from the subject. The properties have sites that range in size from 8,280 to 12,200 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,694 to 1,875 square feet of living area. The dwellings were built in either 1994 or 1995. Each comparable has a basement with three having finished area, central air conditioning, and a garage with either 400 or 441 square feet of building area. Two comparables each have one fireplace. The properties sold from July 2020 to December 2021 for prices ranging from \$309,000 to \$345,000 or from \$166.93 to \$184.00 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #5 as well as board of review comparables #2 and #3 which lack basement finish, a feature of the subject.

The Board finds the best evidence of the market value to the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. The five properties sold from July 2020 to October 2021 for prices ranging from \$255,000 to \$345,000 or from \$141.51 to \$184.00 per square foot of living area, land included. The subject's assessment reflects a market value of \$294,003 or \$164.43 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences

when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
