

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nathaniel Vizcayno
DOCKET NO.: 21-01203.001-R-1
PARCEL NO.: 06-32-301-006

The parties of record before the Property Tax Appeal Board are Nathaniel Vizcayno, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,020
IMPR.: \$90,626
TOTAL: \$103,646

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 3,433 square feet of living area. The dwelling was constructed in 2006. Features of the home include a basement, central air conditioning, a fireplace, and a 609 square foot garage. The property has an approximately 10,070 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.44 of a mile from the subject. The parcels range in size from 9,030 to 16,620 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 3,168 to 3,521 square feet of living area. The dwellings were built from 2001 to 2006. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 528 to 670

square feet of building area. The comparables sold from June 2020 to March 2021 for prices ranging from \$225,000 to \$307,500 or from \$65.54 to \$89.13 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$103,646. The subject's assessment reflects a market value of \$311,717 or \$90.80 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.23 of a mile from the subject. The parcels range in size from 9,290 to 11,450 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction with 3,433 square feet of living area. The dwellings were built in 2005 or 2006. Each home has a basement, central air conditioning, a fireplace, and a 609 square foot garage. The comparables sold from April to November 2021 for prices ranging from \$340,000 to \$378,800 or from \$99.04 to \$110.34 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration, which are similar to the subject in dwelling size, age, location, site size, and features. These comparables sold from June 2020 to November 2021 for prices ranging from \$225,000 to \$378,800 or from \$65.54 to \$110.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$311,717 or \$90.80 per square foot of living area, including land, which is within the range established by the comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
