

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Doveala
DOCKET NO.: 21-01212.001-R-1
PARCEL NO.: 06-22-105-013

The parties of record before the Property Tax Appeal Board are Eric Doveala, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,067
IMPR.: \$85,869
TOTAL: \$98,936

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,720 square feet of living area. The dwelling was constructed in 1994. Features of the home include a basement with 1,065 square feet of finished area, central air conditioning, a fireplace, and a 441 square foot garage. The property has an approximately 10,830 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.42 of a mile from the subject. The parcels range in size from 8,530 to 11,320 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 2,407 to 3,246 square feet of living area. The dwellings were built from 1996 to 1998. Each home has a basement, one of which has 117 square feet of finished area, central air conditioning, a fireplace,

and a garage ranging in size from 464 to 484 square feet of building area. The comparables sold from February to August 2020 for prices ranging from \$228,000 to \$272,000 or from \$74.07 to \$99.80 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,936. The subject's assessment reflects a market value of \$297,552 or \$109.39 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales¹ located within 0.17 of a mile from the subject. The parcels range in size from 8,750 to 10,890 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 2,407 to 2,820 square feet of living area. The dwellings were built from 1994 to 1997. Each home has a basement, two of which have 1,011 or 1,188 square feet of finished area, central air conditioning, and a garage ranging in size from 441 to 633 square feet of building area. Three homes each have a fireplace. The comparables sold from April 2020 to September 2021 for prices ranging from \$291,000 to \$355,000 or from \$106.74 to \$135.02 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #2, which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #1, #3, and #4, which are similar to the subject in dwelling size, age, location, and most features, although two of these comparables lack finished basement area which is a feature of the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from April 2020 to September 2021 for prices ranging from \$291,000 to \$355,000 or from \$106.74 to \$130.51 per square foot of living area, including land. The subject's assessment reflects a market value of \$297,552 or

¹ Comparable #3 is a duplicate of comparable #1, and thus, comparables #4 and #5 are renumbered as comparables #3 and #4.

\$109.39 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
