

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Palmer  
DOCKET NO.: 21-01246.001-R-1  
PARCEL NO.: 16-08-218-005

The parties of record before the Property Tax Appeal Board are Christopher Palmer, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$74,052  
**IMPR.:** \$114,348  
**TOTAL:** \$188,400

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,348 square feet of living area. The dwelling was constructed in 1986. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 504 square foot garage. The property has a 14,280 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .35 of a mile from the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,340 to 2,544 square feet of living area. The dwellings were built from 1986 to 1988. Two comparables each have a

concrete slab foundation and two comparables each have a basement. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 420 to 506 square feet of building area. The comparables have improvement assessments ranging from \$114,888 to \$124,005 or from \$47.67 to \$49.10 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$111,929 or \$47.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$190,387. The subject property has an improvement assessment of \$116,335 or \$49.55 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .52 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,039 to 2,578 square feet of living area. The dwellings were built from 1983 to 1986. Each comparable has a basement, central air conditioning and a garage ranging in size from 462 to 544 square feet of building area. Four comparables each have a fireplace. The comparables have improvement assessments ranging from \$108,524 to \$134,400 or from \$52.13 to \$58.26 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #2 and #3, as well as the five comparables submitted by the board of review due their dissimilar basement foundations, when compared to the subject's concrete slab foundation. Furthermore, board of review comparable #4 is considerably smaller in dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #4. The Board finds these comparables are similar to the subject in location and similar, if not identical to the subject in dwelling size, design, age and some features. The comparables have improvement assessments of \$114,888 and \$115,143 or \$48.30 and \$49.10 per square foot of living area. The subject's improvement assessment of \$116,335 or \$49.55 per square foot of living area is greater than the two best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the subject's

improvement assessment is excessive. Therefore, based on this record the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
