

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Oleg Sogolov
DOCKET NO.: 21-01305.001-R-1
PARCEL NO.: 15-08-104-036

The parties of record before the Property Tax Appeal Board are Oleg Sogolov, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,602
IMPR.: \$101,423
TOTAL: \$136,025

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,643 square feet of living area. The dwelling was built in 1991. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 497 square foot garage. The property has an approximately 13,574 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within 0.73 of a mile from the subject property. The comparables have sites that range in size from 7,524 to 12,726 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction with 2,643 square feet of living area. The dwellings were built from 1990 to 1993. Each comparable has a

basement with four having finished area, central air conditioning, one fireplace, and a garage with 497 square feet of building area. The properties sold from August 2019 to August 2020 for prices ranging from \$356,000 to \$392,500 or from \$134.70 to \$148.51 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$123,321 which reflects a market value of \$370,000 or \$139.99 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$136,025. The subject's assessment reflects a market value of \$409,100 or \$154.79 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within 0.58 of a mile from the subject property. The comparables have sites that range in size from 8,620 to 12,720 square feet of land area. The comparables are reported to be improved with 1-story or 2-story dwellings of wood siding or brick or wood siding exterior construction with 2,611 or 2,643 square feet of land area. The homes were built from 1989 to 1992. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage with 420 or 497 square feet of building area. The properties sold from December 2020 to September 2021 for prices ranging from \$419,900 to \$527,500 or from \$158.87 to \$202.03 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which have basement finish, unlike the subject, and/or have sale dates in 2019 occurring less proximate in time to the subject's January 1, 2021 assessment date than the other comparables in this record. The Board also gives reduced weight to board of review comparable #5 which is reported to be a 1-story design when compared to the subject's 2-story design.

The Board finds the best evidence of market value to be board of review comparables #1 through #4 which sold proximate in time to the subject's assessment date at issue and are identical or nearly identical in design, age, dwelling size, and features. The four properties sold from December 2020 to September 2021 for prices ranging from \$419,900 to \$435,000 or from \$158.87 to \$164.59 per square foot of living area, land included. The subject's assessment reflects a market value of \$409,100 or \$154.79 per square foot of living area, land included,

which falls below the range established by the best comparable sales in this record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
