

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Chin  
DOCKET NO.: 21-01311.001-R-1  
PARCEL NO.: 15-28-403-050

The parties of record before the Property Tax Appeal Board are Peter Chin, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,805  
**IMPR.:** \$48,691  
**TOTAL:** \$70,496

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 2-story dwelling of wood siding exterior construction with 1,017 square feet of living area. The dwelling was built in 1986. Features of the home include a concrete slab foundation, central air conditioning, and a garage with 242 square feet of building area. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.15 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction with 1,017 or 1,131 square feet of living area. The dwellings were built in 1986 or 1987. Each comparable has central air conditioning and a garage with 219 or 242 square feet of building area. Two comparables each have one fireplace. The properties sold from February 2019 to August 2020

for prices ranging from \$178,000 to \$207,000 or from \$163.57 to \$203.54 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$61,660, which would reflect a market value of \$184,998 or \$181.91 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,496. The subject's assessment reflects a market value of \$212,018 or \$208.47 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 0.30 of a mile from the subject and with two of these comparables having the same assessment neighborhood code as the subject property. The comparables are improved with 1-story or 2-story dwellings of wood siding exterior construction ranging in size from 1,017 to 1,407 square feet of living area. The dwellings were built in 1986 or 1987. Each comparable has a concrete slab foundation, central air conditioning, and a garage ranging in size from 227 to 264 square feet of building area. Four comparables each have one fireplace. The properties sold from February 2020 to October 2021 for prices ranging from \$212,000 to \$263,800 or from \$174.25 to \$218.74 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, #4 and #5 which have 2019 sale dates which occurred less proximate in time to the subject's January 1, 2021 assessment date than the other comparables in this record. The Board also gives less weight to board of review comparables #3, #4, and #5 which have dissimilar 1-story designs when compared to the subject's two-story design and, additionally, differ from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable #1 as well as board of review comparables #1 and #2 which each sold proximate in time to the subject's assessment date at issue and are overall most similar to the subject in location, design, age, dwelling size, and most features. However, the board of review comparables each have one fireplace, unlike the subject. Nevertheless, the three properties sold from February to December 2020 for prices ranging from \$180,000 to \$213,000 or from \$176.99 to \$209.44 per square foot of living area, land included. The subject's assessment reflects a market value of \$212,018 or \$208.47 per square foot of living area, land included, which falls within the range established by

the best comparable sales in the record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
