

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Bauer
DOCKET NO.: 21-01319.001-R-1
PARCEL NO.: 15-21-206-026

The parties of record before the Property Tax Appeal Board are Jennifer Bauer, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,541
IMPR.: \$152,334
TOTAL: \$193,875

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,228 square feet of living area. The dwelling was constructed in 1997. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 506 square foot garage. The property has an approximately 10,019 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.39 of a mile from the subject. The comparables have sites that range in size from 10,019 to 11,326 square feet of land area. These comparables are improved with 2-story dwellings of frame exterior construction that range in size from 3,001 to 3,881 square feet of living area. The dwellings were built in 1997 or 1998.

Each comparable has a basement with four having finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 483 to 704 square feet of building area. Comparable #3 has an inground swimming pool. The properties sold from November 2019 to August 2020 for prices ranging from \$508,000 to \$587,000 or from \$151.25 to \$175.44 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$181,415 which reflects a market value of \$544,299 or \$168.62 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,875. The subject's assessment reflects a market value of \$583,083 or \$180.63 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.40 of a mile from the subject. These comparables have sites that range in size from 9,150 to 13,500 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction that range in size from 3,003 to 3,243 square feet of living area. The homes were built from 1996 to 1998. Each comparable has a basement with one having finished area, central air conditioning, one fireplace, and a garage ranging in size from 483 to 682 square feet of building area. The properties sold from February 2020 to June 2021 for prices ranging from \$609,900 to \$660,000 or from \$194.26 to \$210.19 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, and #5 as well as board of review comparable #1 which differ from the subject in basement finish and/or dwelling size. Furthermore, the appellant's comparable #5 has a 2019 sale date which occurred less proximate in time to the subject's January 1, 2021 assessment than the other comparables in this record. The Board also gives reduced weight to the appellant's comparable #3 which has an inground swimming pool, unlike the subject.

The Board finds the best evidence of market value to be the four remaining board of review comparables which are overall more similar to the subject in location, age, design, dwelling size and features. These four properties sold from February 2020 to May 2021 for prices ranging

from \$609,900 to \$660,000 or from \$194.26 to \$210.19 per square foot of living area, land included. The subject's assessment reflects a market value of \$583,083 or \$180.63 per square foot of living area, land included, which falls below the range established by the best comparable sales in this record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
