

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Rivard
DOCKET NO.: 21-01321.001-R-1
PARCEL NO.: 15-20-106-006

The parties of record before the Property Tax Appeal Board are Michael Rivard, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,036
IMPR.: \$153,142
TOTAL: \$169,178

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of Dryvit exterior construction with 3,184 square feet of living area. The dwelling was constructed in 1994. Features of the home include a walkout basement with finished area, central air conditioning, and an 840 square foot garage. The property has an approximately 109,336 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within 0.42 of a mile from the subject and with two of these comparables having the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 44,431 to 137,214 square feet of land area. These comparables are improved with 2-story dwellings of frame exterior construction that range in size from 2,789 to 3,349 square feet of living area. The dwellings

were built in 1985 or 1986. Each comparable has a basement with two having finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 576 to 1,372 square feet of building area. The properties sold from December 2019 to July 2021 for prices ranging from \$425,000 to \$484,000 or from \$142.36 to \$152.38 per square foot of living area, land included. The appellant disclosed in handwritten notes that the subject was located on a busy road, Route 22, and next to power lines. Based on this evidence, the appellant requested the subject's assessment be reduced to \$143,266 which reflects a market value of \$429,841 or \$135.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$169,178. The subject's assessment reflects a market value of \$508,806 or \$159.80 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject property and located within 0.43 of a mile from the subject. These comparables have sites that range in size from 43,560 to 53,580 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction that range in size from 2,840 to 3,036 square feet of living area. The homes were built in 1985 or 1987. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 484 to 864 square feet of building area. Comparable #1 has a hot tub. The properties sold from June to August 2021 for prices ranging from \$529,000 to \$600,000 or from \$186.01 to \$211.27 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 which lack basement finish, which is a feature of the subject. The Board also gives reduced weight to the appellant's comparable #4 which has a 2019 sale date occurring less proximate in time to the subject's January 1, 2021 assessment date at issue than the other comparables in this record.

The Board finds the best evidence of market value to be the parties' remaining comparables which are relatively similar to the subject in location, age, design, dwelling size and features. These four properties sold from February 2020 to August 2021 for prices ranging from \$472,500 to \$600,000 or from \$142.36 to \$211.27 per square foot of living area, land included. The

subject's assessment reflects a market value of \$508,806 or \$159.80 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
