

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stuart Ship
DOCKET NO.: 21-01322.001-R-1
PARCEL NO.: 15-09-308-001

The parties of record before the Property Tax Appeal Board are Stuart Ship, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,415
IMPR.: \$130,375
TOTAL: \$167,790

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,796 square feet of living area. The dwelling was built in 1998. Features of the home include an unfinished basement, central air conditioning, and a 484 square foot garage. The property has an approximately 9,148 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject property and located within 0.16 of a mile from the subject property. The comparables have sites that range in size from 7,841 to 9,148 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,700 to 2,936 square feet of living area. The homes were built in 1998 or

2000. Each comparable has a basement with one having finished area, central air conditioning, and a garage with 440 or 484 square feet of building area. Two comparables each have one fireplace. The properties sold from May 2019 to October 2020 for prices ranging from \$462,500 to \$490,000 or from \$162.81 to \$175.25 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$159,317 which reflects a market value of \$477,999 or \$170.96 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$167,790. The subject's assessment reflects a market value of \$504,632 or \$180.48 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.36 of a mile from the subject. The comparables have sites with 8,280 or 10,020 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,508 to 2,936 square feet of living area. The homes were built in 1998. Each comparable has a basement with four having finished area, central air conditioning, and a garage with 440 or 704 square feet of building area. Four comparables each have one fireplace. The properties sold from February 2020 to July 2021 for prices ranging from \$510,000 to \$585,000 or from \$181.20 to \$218.61 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 as well as board of review comparables #2, #3, #4, and #5 which have basement finish, unlike the subject, and/or have a 2019 sale date which occurred less proximate in time to the subject's January 1, 2021 assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #1 and board of review comparable #1 which are similar to the subject in location, design, age, dwelling size, and most features. These properties sold in October and November 2020 for prices of \$478,000 and \$532,000 or \$162.81 and \$181.20 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$504,632 or \$180.48 per square foot of living area, land included, which is bracketed by the two best comparable sales in this record. Based on

the record and after considering adjustments to the two best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
