

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Carroll
DOCKET NO.: 21-01336.001-R-1
PARCEL NO.: 15-32-309-070

The parties of record before the Property Tax Appeal Board are Mary Carroll, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,593
IMPR.: \$35,904
TOTAL: \$56,497

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 931 square feet of living area. The dwelling was constructed in 1984. Features of the home include a concrete slab foundation, central air conditioning, and a 220 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject property and located within 0.15 of a mile from the subject. These comparables are improved with 1-story dwellings of wood siding exterior construction with 931 or 933 square feet of living area. The dwellings were built in 1984. Each comparable has a concrete slab foundation, central air conditioning, and a garage with 220 square feet of building area. The properties sold from June 2018 to October 2020 for prices ranging from

\$138,500 to \$155,600 or from \$148.45 to \$166.77 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$51,662 which reflects a market value of \$155,002 or \$166.49 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,497. The subject's assessment reflects a market value of \$169,916 or \$182.51 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.16 of a mile from the subject. The comparables are improved with 1-story dwellings of wood siding exterior construction with 840 or 931 square feet of living area. The homes were built from 1983 to 1985. Each comparable has a concrete slab foundation, central air conditioning, and a garage with 220 square feet of building area. The properties sold from August 2020 to November 2021 for prices ranging from \$172,000 to \$182,000 or from \$184.75 to \$205.36 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 which have 2018 or 2019 sale dates which occurred less proximate in time to the subject's January 1, 2021 assessment date than the other comparables in this record. The Board also gives less weight to board of review comparable #5 which is less similar to the subject in dwelling size than the other comparables in this record.

The Board finds the best evidence of market value to be the parties' remaining comparables which sold proximate in time to the subject's 2021 assessment date. These comparables are identical or nearly identical to the subject in age, dwelling size, and features. These six properties sold from June 2020 to November 2021 for prices ranging from \$138,500 to \$182,000 or from \$148.45 to \$195.49 per square foot of living area, land included. The subject's assessment reflects a market value of \$169,916 or \$182.51 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
