

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Narendranath Maddi  
DOCKET NO.: 21-01339.001-R-1  
PARCEL NO.: 15-05-309-048

The parties of record before the Property Tax Appeal Board are Narendranath Maddi, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$28,841  
**IMPR.:** \$97,842  
**TOTAL:** \$126,683

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 2-story dwelling of wood siding exterior construction with 2,508 square feet of living area. The dwelling was built in 2003. Features of the home include an unfinished basement, central air conditioning, and a garage with 440 square feet of building area. The property has an approximately 5,271 square foot site and is located in Indian Creek, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.24 of a mile from the subject. The comparables have sites that range in size from 5,093 to 5,892 square feet of land area. The properties are improved with 2-story dwellings of frame exterior construction with 2,672 or 2,692 square feet of living area. The dwellings were built from 2002 to 2004. Each comparable

has a basement with four having finished area, central air conditioning, one fireplace, and a garage ranging in size from 440 to 483 square feet of building area. The properties sold from April 2020 to January 2021 for prices ranging from \$373,005 to \$382,500 or from \$138.56 to \$143.15 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$116,192 which reflects a market value of \$348,611 or \$139.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$126,683. The subject's assessment reflects a market value of \$381,002 or \$151.91 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.22 of a mile from the subject property. The comparables have sites that range in size from 4,900 to 5,990 square feet of land area. The properties are improved with 2-story dwellings of wood siding exterior construction that range in size from 2,508 to 2,692 square feet of living area. The homes were built from 2002 to 2004. Each comparable has a basement with four having finished area, central air conditioning, and a garage ranging in size from 440 to 493 square feet of building area. Three comparables each have one fireplace. The properties sold from March to June 2021 for prices ranging from \$399,000 to \$420,000 or from \$151.08 to \$159.09 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board finds each of the parties' comparables to be similar to the subject in location, age, design, dwelling size and most features. However, the Board gives greater weight to the appellant's comparable #4 and board of review comparable #4 which are the only two comparables in the record that lack basement finish, like the subject. These two properties sold in January and June 2021 for prices of \$380,000 and \$420,000 or \$138.56 and \$157.19 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$381,002 or \$151.91 per square foot of living area which is bracketed by the sales for the two most similar comparables in this record. Based on this record and after considering the necessary adjustments to the two best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
