

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Skiba
DOCKET NO.: 21-01346.001-R-1
PARCEL NO.: 06-23-107-034

The parties of record before the Property Tax Appeal Board are Ron Skiba, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,971
IMPR.: \$65,863
TOTAL: \$78,834

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 1,660 square feet of living area. The dwelling was constructed in 1994. Features of the home include an unfinished basement, central air conditioning, and a 400 square foot garage. The property has an approximately 6,890 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites that range from 6,600 to 9,400 square feet of land area. The comparables are improved with 2-story dwellings of wood siding or vinyl siding exterior construction with 1,660 square feet of living area. The dwellings were built in either 1994 or 1995. Each comparable has a basement with finished area, central

air conditioning, and a garage with 400 square feet of building area. Three comparables each have one fireplace. The properties sold from May to October 2020 for prices ranging from \$212,000 to \$232,500 or from \$127.71 to \$140.06 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$73,326 which reflects a market value of \$220,000 or \$132.53 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,834. The subject's assessment reflects a market value of \$237,095 or \$142.83 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites that range from 6,600 to 12,040 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction with 1,660 square feet of living area. The dwellings were built in either 1994 or 1995. The comparables each have a basement with three having finished area. Each comparable has central air conditioning, one fireplace, and a 400 square foot garage. The properties sold from June 2020 to November 2021 for prices ranging from \$240,000 to \$350,000 or from \$144.58 to \$210.84 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparables #1, #2 and #5 all of which have finished basement area in contrast to the subject's unfinished basement.

The Board finds the best evidence of market value to be board of review comparables #3 and #4 which are identical or nearly identical to the subject in location, age, design, dwelling size and features, except each comparable has one fireplace which is not a feature of the subject. Nevertheless, these comparables sold in June and July 2021 for prices of \$325,000 and \$300,000 or for \$195.78 and \$180.72 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$237,095 or \$142.83 per square foot of living area, including land, which falls below the two best comparable sales in this record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
