

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerald Williams
DOCKET NO.: 21-01356.001-R-1
PARCEL NO.: 10-13-106-008

The parties of record before the Property Tax Appeal Board are Jerald Williams, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,359
IMPR.: \$84,271
TOTAL: \$105,630

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,041 square feet of living area. The dwelling was built in 1994. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a garage with 400 square feet of building area. The property has an approximately 9,150 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites with either 7,410 or 10,020 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 1,774 to 2,047 square feet of living area. The homes were built from 1994 to 1997. The comparables each have a basement with two having

finished area. Each comparable has central air conditioning and a garage that ranges in size from 400 to 462 square feet of building area. Three comparables each have one fireplace. The properties sold from April to November 2020 for prices ranging from \$246,500 to \$309,000 or from \$138.95 to \$151.69 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$102,037 which reflects a market value of \$306,142 or \$150.00 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,630. The subject's assessment reflects a market value of \$317,684 or \$155.65 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites with either 8,280 or 8,710 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 1,815 to 2,391 square feet of living area. The homes were built from 1994 to 1996. The comparables each have a basement with two having finished area. Each comparable has central air conditioning and a garage that ranges in size from 441 to 482 square feet of building area. One comparable has one fireplace. The properties sold from June to November 2021 for prices ranging from \$347,500 to \$410,000 or from \$161.02 to \$191.46 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 as well as board of review comparables #1, #3, and #4 which lack basement finish, a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, basement finish, and most features. These four properties sold from April 2020 to November 2021 for prices ranging from \$270,000 to \$409,121 or from \$150.95 to \$191.46 per square foot of living area, land included. The subject's assessment reflects a market value of \$317,684 or \$155.65 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the comparables for

differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
