

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Doyle
DOCKET NO.: 21-01366.001-R-1
PARCEL NO.: 13-21-103-004

The parties of record before the Property Tax Appeal Board are Stephen Doyle, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,303
IMPR.: \$111,084
TOTAL: \$134,387

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,800 square feet of living area. The dwelling was built in 1993. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 462 square foot garage. The property has an approximately 10,019 square foot site and is located in Fox River Grove, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same assessment neighborhood code as the subject property and within 0.22 of a mile from the subject. The comparables have sites that range in size from 9,148 to 17,860 square feet of land area. The comparables are improved with 2-story dwellings of frame or frame and brick exterior construction with 2,800 square feet of living area. The dwellings were each built in 1993. The

comparables each have a basement with two having finished area. Each comparable has central air conditioning, one fireplace, and a garage with either 462 or 704 square feet of building area. The properties sold from June 2020 to March 2021 for prices ranging from \$345,000 to \$448,500 or from \$123.21 to \$160.18 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$121,654 which reflects a market value of \$364,998 or \$130.36 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$134,387. The subject's assessment reflects a market value of \$404,171 or \$144.35 per square foot of living area, including land, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of the subject's assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and within 0.22 of a mile from the subject. Board of review comparable #1 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 9,580 to 18,730 square feet of land area. The comparables are improved with 2-story dwellings of wood siding or wood siding and brick exterior construction ranging in size from 2,218 to 3,440 square feet of living area. The comparables each have a basement with two having finished area. Each comparable has central air conditioning, one fireplace, and a garage that ranges in size from 400 to 704 square feet of building area. Comparable #2 has a hot tub and gazebo. The properties sold from May 2020 to December 2021 for prices ranging from \$375,000 to \$505,000 or from \$146.80 to \$191.17 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration, as one sale is common to both parties. The Board gives less weight to board of review comparables #2 through #5 which differ from the subject in dwelling size. The Board finds the evidence of market value to be the appellant's comparables #1, #2, and the appellant's comparable #3/board of review comparable #1 which are identical or nearly identical to the subject in location, design, age, dwelling size, and most features. The three properties sold from June 2020 to March 2021 for prices ranging from \$345,000 to \$448,500 or from \$123.21 to \$160.18 per square foot of living area, land included. The subject's assessment reflects an estimated market value of \$404,171 or \$144.35 per square foot of living area, land included, which falls with the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
