

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lynn Johnson
DOCKET NO.: 21-01396.001-R-1
PARCEL NO.: 06-27-400-046

The parties of record before the Property Tax Appeal Board are Lynn Johnson, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,955
IMPR.: \$110,155
TOTAL: \$121,110

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and vinyl siding exterior construction with 2,448 square feet of living area. The dwelling was constructed in 1948 and has a reported effective age of 1966.¹ Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 720 square foot garage. The property has a 23,960 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that are located from .55 of mile to 2.35 miles from the subject property. The comparables have sites that range in size from 16,550 to 80,060 square feet of land area. The comparables are improved with one-story dwellings of

¹ The subject's property record card disclosed that a permit was issued in November 2000 for an addition to the subject dwelling with a cost of \$89,920, which was unrefuted by the appellant.

brick or wood siding exterior construction ranging in size from 2,130 to 2,697 square feet of living area. The dwellings were built from 1956 to 1990 with comparable #2, the oldest comparable, having a reported effective age of 1962. Each comparable has a basement and a garage ranging in size from 360 to 1,335 square feet of building area. Two comparables each have central air conditioning and a fireplace. The comparables sold from October 2019 to June 2021 for prices of either \$255,000 or \$330,000 or from \$108.79 to \$122.36 per square foot of living area, including land. The appellant provided a copy of the listing sheet associated with the sale of comparable #2. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$121,110. The subject's assessment reflects a market value of \$364,241 or \$148.79 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that are located from 2.36 to 3.36 miles from the subject property. The comparables have sites that range in size from 14,340 to 259,180 square feet of land area. The comparables are improved with one-story dwellings of brick or wood siding exterior construction ranging in size from 1,991 to 2,508 square feet of living area. The dwellings were built from 1962 to 2003. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 484 to 805 square feet of building area. Comparable #2 has an inground swimming pool. The comparables sold from August 2020 to November 2021 for prices ranging from \$347,500 to \$450,000 or from \$152.63 to \$200.90 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #3, as well as board of review comparables #1, #2 and #4 due to differences from the subject in age or dwelling size. Additionally, the Board finds the appellant's comparable #3 sold less proximate in time to the lien date at issue than the other comparable sales in the record and board of review comparable #2 has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2, along with board of review comparables #3 and #5, which sold more proximate in time to the assessment date at issue and are relatively similar to the subject in dwelling size, design, age and

some features. These three comparables sold from August 2020 to August 2021 for prices ranging from \$255,000 to \$368,000 or from \$119.72 to \$171.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$364,241 or \$148.79 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
